Could anything possibly be more fun than a pig parade!? You wouldn't think so. But you'd be wrong. A pig parade is a terrible idea. Pigs hate to march, refuse to wear the uniforms, don't care about floats, and insist on playing country music

ballads. Those are just some of the reasons. And trust me, this hysterical book has plenty more!

Olivia, who is very neat and practically perfect, despairs because her sister Sophia is super-completely and totally the messiest person, no matter where she goes or what she does.
Fireflies HarperCollins
The New York Times bestseller featured on THE TODAY SHOW! A heart-tugging dog adoption story told through letters--deeply sincere and almost desperate pleas for a forever home--from the dog, himself! This picture book shares the tale of Arfy, a homeless mutt who lives in a box in an alley. Arfy writes to every person on Butternut Street about what a great pet he'd make. His letters to prospective owners share that he's house broken! He has his own squeaky bone! He can learn to live

with cats! But, no one wants him. Won't anyone open their heart--and home--to a lonesome dog? Readers will be happily surprised to learn just who steps up to adopt Arfy. Troy Cummings's hilarious and touching story is a perfect gift for a child wanting a dog, and for pet adoption advocates. It also showcases many different styles of letter writing, making it appealing to parents and teachers looking to teach the lost art of written communication. "It's an instant classic in our household." --#1 New York Times bestselling author Sarah J. Maas

Cherry, and is a celebration of diversity. A young Asian girl notices that her eyes look different from her peers'. They have big, round eyes and long lashes. She realizes that her eyes are like her mother's, her grandmother's, and her little sister's. They have eyes that kiss in the corners and glow like warm tea, crinkle into crescent moons, and are filled with stories of the past and hope for the future. Drawing from the strength of these powerful women in her life, she recognizes her own beauty and discovers a path to self-love and empowerment. This powerful, poetic picture book will resonate with readers of all ages. "This tale of self-acceptance and respect for one's roots is breathtaking." —Kirkus (starred review) "A young girl finds beauty in her uniqueness." —School Library Journal (starred review) "A

This winning heroine will inspire every child to cheer her on as she ventures through a bitter cold snowstorm in William Steig's classic *Brave Irene* *Brave Irene* is Irene Bobbin, the dressmaker's daughter. Her mother, Mrs. Bobbin, isn't feeling so well and can't possibly deliver the beautiful ball gown she's made for the duchess to wear that very evening. So plucky Irene volunteers to get the gown to the palace on time, in spite of the fierce snowstorm that's brewing-- quite an errand for a little girl. But where there's a will, there's a way, as Irene proves in the danger-fraught

adventure that follows. She must defy the wiles of the wicked wind, her most formidable opponent, and overcome many obstacles before she completes her mission. *Brave Irene* is a 1986 New York Times Book Review Best Illustrated Book of the Year. Adapted into a short film in 1989 from director Daniel Ivanick. *Salt Hands* Simon and Schuster Forty-one poems reveal a variety of secret thoughts, worries, and wishes *One Word from Sophia* Simon & Schuster Books for Young Readers In her funny and wistful new book, Reeve Lindbergh contemplates entering a new stage in life, turning sixty, the period her mother, Anne Morrow Lindbergh, once described as "the youth of old age." It is a time of life, she writes, that produces some unexpected surprises. Age brings loss, but also love; disaster, but also delight. The second-graders Reeve taught many years ago are now middle-aged; her own children grow, marry, have children themselves. "Time flies," she observes, "but if I am willing to fly with it, then I can be

airborne, too." A milestone birthday is also an opportunity to take stock of oneself, although such self-reflection may lead to nothing more than the realization, as Reeve puts it, "that I just seem to continue being me, the same person I was at twelve and at fifty." At sixty, as she observes, "all I really can do with the rest of my life is to...feel all of it, every bit of it, as much as I can for as long as I can." Age is only one of many subjects that Reeve writes about with perception and insight. In northern Vermont, nature is an integral part of daily life, especially on a farm. Whether it is the arrival and departure of certain birds in spring and fall, wandering turtles, or the springtime ritual of lambing, the natural world is a constant revelation. With a wry sense of humor, Reeve contemplates the infirmities of the aging body, as well as the many new drugs that treat these maladies. Briefly considering the risks of drug dependency, she writes that "the least we [the "Sixties Generation"] can do for ourselves is live up to our mythology, and take lots of drugs." Legal drugs, that is -- although what

sustains us as we grow older is not drugs but an appreciation for life, augmented by compassion, a sense of humor, and common sense. And of course there is family -- especially with the Lindberghs. Reeve writes about discovering, thirty years after her father's death and two and a half years after her mother's, that her father had three secret families in Europe. She travels to meet them, learning to expand her self-understanding: "daughter of," "mother of," "sister of" -- sister of many more siblings than she'd known, in a family more complicated than even she had imagined. Forward from Here is a brave book, a reflective book, a funny book -- a book that will charm and fascinate anyone on the journey from middle age to the uncertain future that lies ahead.

Hilarious notes between a son and his mom show how kid logic can be very persuasive. Alex just has to convince his mom to let him have an iguana, so he puts his arguments

in writing. He promises that she won't have to feed it or clean its cage or even see it if she doesn't want to. Of course Mom imagines life with a six-foot-long iguana eating them out of house and home. Alex's reassures her: It takes fifteen years for an iguana to get that big. I'll be married by then and probably living in my own house His mom's reply: How are you going to get a girl to marry you when you own a giant reptile? Kis will be in hysterics as the negotiations go back and forth through notes, and the lively, imaginative illustrations showing their polar opposite dreams of life with an iguana take the humor to even higher heights.
