Breathless Harper Collins

Anxiety disorders are among the most prevalent mental health problems in childhood and adolescence. This fully revised new edition is an authoritative guide to the understanding and assessment of anxiety disorders in the young. The first section covers historical and conceptual issues, including cognitive and developmental processes, clinical and theoretical models, phenomenology and classification, and evidence-based assessment. Subsequent sections cover the biology of child and adolescent anxiety, and environmental influences including

traumatic events, parenting and the impact of the peer group. The final section addresses prevention and treatment of anxiety. All chapters incorporate new advances in the field, explicitly differentiate between children and adolescents, and incorporate a developmental perspective. Written and edited by an international team of leading experts in the field, this is a key text for researchers, practitioners, students and clinical trainees with interests in child and adolescent anxiety.

The Gullah people are one of our most distinctive cultural groups. Isolated off the South Carolina-Georgia coast for nearly three centuries, the native black population of the Sea Islands has developed a vibrant way of life that remains, in many ways, as African as it is American. This landmark volume tells a multifaceted story of this venerable society, emphasizing its roots in Africa, its unique imprint on America, and current threats to its survival. With a keen sense of the limits to

establishing origins and tracing adaptations, William S. Pollitzer discusses such aspects of Gullah history and culture as language, religion, family and social relationships, music, folklore, trades and skills, and arts and crafts. Readers will learn of the indigo- and rice-growing skills that slaves taught to their masters, the echoes of an African past that are woven into baskets and stitched into quilts, the forms and phrasings that identify Gullah speech, and much more.

Pollitzer also presents a wealth of data on blood composition, bone structure, disease, and other biological factors. This research not only underscores ongoing health challenges to the Gullah people but also helps to highlight their complex ties to various African peoples.

Drawing on fields from archaeology and anthropology to linguistics and medicine, *The Gullah People and Their African Heritage* celebrates a remarkable people and calls on us to help protect their irreplaceable culture.

Lyra Selene weaves a lush and thrilling story of sacrifice, secrets, and star-crossed love set in a Parisian-

inspired world where the sun never sets in this remarkable YA fantasy debut. Sylvie has always known she deserves more. Out in the permanent twilight of the Dusklands, her guardians called her power to create illusions a curse. But Sylvie knows it gives her a place in Coeur d'Or, the palais of the Amber Empress and her highborn legacies. So Sylvie sets off toward the Amber City, a glittering jewel under a sun that never sets, to take what is hers. But her hope for a better life is quickly dimmed. The empress invites her in only as part of a wicked wager among her powerful courtiers. Sylvie must assume a new name, *Mirage*, and begin to navigate secretive social circles and deadly games of intrigue in order to claim her spot. Soon it becomes apparent that nothing is as it appears and no one, including her cruel yet captivating sponsor, *Sunder*, will answer her questions. As *Mirage* strives to seize what should be her rightful place, she'll have to consider whether it is worth the price she must pay. An extraordinary, vividly rendered YA debut.

When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole

world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's "obnoxious optimism", convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. 100 Days of Sunlight is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.

What's worse than being stuck on an alien planet? Being stuck on an alien planet when you've made an enemy of the local tribe King. Okay, so I may have stolen his favorite mishua and snuck away to find my friends. But he should've known better than to forbid me to go. I'm a marine, and we leave no man-- or woman, behind. Besides- putting distance between us is a good thing, especially since I'm sure he's coming after me. We're like fire and gasoline, and spending time

near him is like lighting a match and waiting for the explosion. So what if his dark eyes promise more pleasure than I've ever experienced? I'm finding my friends and getting off this planet. Even if this alien king seems to think he owns me. Even if a tiny part of me might like the idea of being owned... by him. Claimed by the Alien Warrior is book two of the Warriors of Agron series, and it's a full-length romance with no cliffhanger and a guaranteed HEA. While this is a standalone, you'll enjoy it much more if you read Taken by the Alien Warrior first. The DC Comics Encyclopedia New Edition Chronicle Books Named Book of the Month Club's Book of the Year, 2017 Selected one of New York Times Readers ' Favorite Books of 2017 Winner of the 2018 Goldsboro Books Glass Bell Award From the beloved New York Times bestselling author of The Boy In the Striped Pajamas, a sweeping, heartfelt saga about the course of one man's life, beginning and ending in post-war Ireland Cyril Avery is not a real Avery -- or at least, that's what his adoptive parents tell him. And he never will be. But if he isn't a real Avery, then who is he? Born out of wedlock to a teenage girl cast out from her rural Irish community and adopted by a well-to-do if eccentric Dublin couple via the intervention of a hunchbacked Redemptorist nun, Cyril is adrift in the world, anchored only tenuously by his heartfelt friendship with the infinitely more glamorous and dangerous Julian Woodbead. At the mercy of fortune and coincidence, he will spend a lifetime coming to know himself and where he came from - and over

his many years, will struggle to discover an identity, a home, a country, and much more. In this, Boyne's most transcendent work to date, we are shown the story of Ireland from the 1940s to today through the eyes of one ordinary man. The Heart's Invisible Furies is a novel to make you laugh and cry while reminding us all of the redemptive power of the human spirit.
