Kevin Markham travelled 6,800 miles in a 20-year-old camper van, walked 2,100 miles, lost countless balls, and wore out three pairs of golf shoes to find out. He played and rated every 18-hole course - all 350 of them. The result is the most comprehensive, best-researched guide to Irish golfs, from expensive, well-known courses to affordable little gems. Kevin assesses each course in a detailed review and from a novel perspective, rating the golfing experience using the same criteria for all courses. Courses are ranked out of 100, across 8 criteria, such as design, appeal and value for money. This concise, detailed book is for golfing tourists looking for great value courses; for golfing societies that want to go beyond their local area; and for Irish golfers searching for excellent but unsung courses in Ireland. Written from an amateur's perspective, reviews focus on the energy and excitement of playing each course to give a true

representation of the golf experience, and provides all the information necessary to book your round.
