It doesn 't take twins Mark and Matt James long to figure out two things. Bridget 's not only in trouble, she is trouble—they both want her. When things get a little hot and heavy one night, they 're stunned to discover that they don 't mind sharing. And she loves being shared. Between the James brothers ' hot, hard bodies, Bridget finally feels safe—and loved. When a hit man tracks her down, the last thing she wants is for them to place those bodies between her and danger. But the cowboys have other ideas. Like keeping her alive long enough to convince her she belongs with them. Forever.

Some of the questions asked and answered in THE YOUNG CHRISTIAN'S SURVIVAL GUIDE are "You claim the Bible is inspired because it says it is, right (2 Tim. 3:16)? Isn't that circular reasoning?" "You claim the Bible was inspired, but there was no inspired list of which books that is true of. So how can we know which ones to trust?" "With so many different copies of manuscripts that have 400,000+ variants (errors), how can we even know what the Bible says?" "Why can't the people who wrote the four Gospels get their story straight?" "Didn't the Council of Nicaea just arbitrarily pick the books for the Bible that they agreed with and suppress all the rest with political power?" "People used to believe in miracles because they didn't understand science. Don't we know better than that now?" "That a man rose from the dead takes a lot of believing. How could you ever have enough evidence for a belief like that?". "Science has proved that human beings evolved over millions of years rather than being created in six days. Why are you still clinging to ancient myths?" "Just because the Bible is true for you, why does that make it true for me?" "How can you base your modern life on a book that was written for a primitive culture?" "Doesn't the Bible support genocide?". "Doesn't the Bible support racism?". "Doesn't the Bible support slavery?" "Doesn't the Bible support homophobia?". "Doesn't the Bible support the oppression and abuse of women?". "There are so many religions, all sincerely seeking the same goal. What makes you Christians so arrogant that you think yours is the only way?". "What about those who have never heard the Gospel?". "If God is a God of love, why did he let my loved one die?". "How can it be just for God to impose an infinite punishment (Hell forever) for finite sins?" These questions will be asked and answered with reasonable, rational, Scriptural answers.

When Indians kill her husband on the trail to Kentucky, Livi Talbot and her two young children bury him then continue their trek on the Wilderness Road to what David promised would be their new home. While Livi settles into the wilderness cabin David built with his own hands, Reid Campbell, David's best friend and Livi's nemesis, arrives. A wanderer who spends more time with Indians than whites, Reid produces a document stating all holdings revert to him, in the case of David's death. Reid insists Livi and the children return to Virginia, but Livi refuses. She's too far along in her pregnancy with David's last child, to travel. Summer ensues, filled with hard work, danger from Indian raids and a constant battle of wills between Livi and Reid. As winter deepens, Reid helps Livi deliver David's son. Reid knows he should gift the cabin and land to Livi and walk away, but his heart has finally found a family and a place called home. **REVIEWS:** "...stirs the reader's emotions. Addressing a wide range of issues in applied linguistics, sociolinguistics, and multilingualism, this volume focuses on language users, the 'people.' Making creative connections between existing scholarship in language policy and contemporary theory and research in other social sciences, authors from around the world offer new critical perspectives for analyzing language phenomena and language theories, suggesting new meeting points among language users and language policy makers, norms, and traditions in diverse cultural, geographical, and historical contexts. Identifying and expanding on previously neglected aspects of language studies, the book is inspired by the work of Elana Shohamy, whose critical view and innovative work on a broad spectrum of key topics in applied linguistics has influenced many scholars in the field to think "out of the box" and to reconsider some basic commonly held understandings, specifically with regard to the impact of language and languaging on individual language users rather than on the masses.

Some have said that the word "scam" is too strong for a book that argues against the church's most sacred cow, but "scam" is exactly the right word because tithing has been put forth as a duty that will earn that which Christ suffered and died to freely give us. Not only is it wrong to suggest that tithing will do what Christ died to do, such as open heaven or make one right with God, but such teaching is an insult to His sacrifice and in reality, an enemy to the Cross even as circumcision was in the early church. Our ministers have been naively leading the church back under the Old Testament Law, and its curse, with imagined tithing promises that have gone way beyond even that which Malachi promised. Under the guise of "obedience, faithfulness and stewardship," we've been duped into believing we must prove ourselves without realizing that practicing the Law (tithing) blocks us from becoming sons and heirs according to Galatians 4: 5. Do you know that The book of Malachi was never intended to be instruction to the New Testament church? All the ordinances in Malachi (including tithing) were nailed to Jesus' cross, according to Colossians chapter 2? Tithing is part of the Law according to Matt. 23: 23, Malachi 3: 7, and Hebrews 7: 18? The practice of tithing, the Law, can expose you to the "curse of the Law" causing incurable sicknesses, debt, death, and many

other problems, according to the Apostle Paul in Galatians 3: 10? The practice of tithing actually removes you from the state of grace and places you back the category of "sinner"? Hebrews 5: 4 Tithing causes you to "frustrate the grace of God," and causes "Christ to profit you nothing"? Galatians 2: 21 and 5: 2 Making tithing a practicetoday actually causes the New Testament to become "another gospel" according to Paul in Galatians 1: 6? Order The Great Tithing Scam today and find out what else tithing will or won't do.

Trunk is a frequent commentator about workplace trends, and she has appeared on outlets such as 20/20, CNN, and NPR. **EXCERPT FROM THE BOOK** You, too, can be one of the people who is redefining success. You don't have to give up everything in your personal life to "get to the top." You can decide what is success for you. Let's talk about what this means in practice. You don't have to play the face-time game. We've known forever that it isn't necessary to be in the office from 9 to 5 every day to get work done, but many of us have missed family events only to sit at a desk all day getting pretty much nothing done because of the stress of missing a family event. And there didn't used to be any option; if you wanted a successful career, you made sure coworkers saw that you were putting in the hours. A good portion of the workforce has been requesting flextime for decades, but the requests have gone unheeded. We have Gen Y to thank for forcing the switch, because if Gen Yers can't leave the building whenever they want, they'll walk out the door and never come back. Face the truth: boomers weren't willing to go that far, but they sure are benefiting from it. Now they have more opportunities for flextime, too. We all want to be judged by the work we do, not the hours we put in. And what could be more fair than this? You don't have to do work that's meaningless. Gen Y kids grew up with parents scheduling every minute of their day. They were told TV is bad and reading is good, and are more educated than any generation in history. They just spent 18 years learning to be productive with their time, so they're not going to settle for any photocopying/coffee stirring job. It's great for all of us that the biggest demographic at work today - Generation Y - is not willing to waste time at work. This means we can all put our foot down to work that doesn't matter. We all, intuitively, want meaningful work. We all want to be stimulated by our jobs, and we all want to understand how we're contributing to the world at large. Why should anyone have to wait until retirement age to start demanding that? Like what you're reading? The ring shout is the oldest known African American performance tradition surviving on the North American continent. Performed for the purpose of religious worship, this fusion of dance, song, and percussion survives today in the Bolton Community of McIntosh County, Georgia. Incorporating oral history, first-person accounts, musical transcriptions, photographs, and drawings, *Shout Because You're Free* documents a group of performers known as the McIntosh County Shouters. Derived from African practices, the ring shout combines call-and-response singing, the percussion of a stick or broom on a wood floor, and hand-clapping and foot-tapping. First described in depth by outside observers on the sea islands of South Carolina and Georgia during the Civil War, the ring shout was presumed to have died out in active practice until 1980, when the shouters in the Bolton community first came to the public's attention. *Shout Because You're Free* is the result of sixteen years of research and fieldwork by Art and Margo Rosenbaum, authors of *Folk Visions and Voices*. The book includes descriptions of present-day community shouts, a chapter on the history of the shout's African origins, the recollections of early outside observers, and later folklorists' comments. In addition, the tunes and texts of twenty-five shout songs performed by the McIntosh County Shouters are transcribed by ethnomusicologist Johann S. Buis. *Shout Because You're Free* is a fascinating look at a unique living tradition that demonstrates ties to Africa, slavery, and Emancipation while interweaving these influences with worship and oneness with the spirit.
