The debt collection practices act ePublishing Works! This book critically examines the lived experiences of bisexual Christians across a range of Christian traditions in the UK and the USA. Shepherd assesses whether current data on elevated rates of depressive illnesses among bisexual people also apply to the bisexual Christian community. Drawing on data collected by the author on bisexual Christians across the lifespan, the book uncovers shocking incidences of biphobia and bi erasure in the Church. Widespread ignorance among pastors of middle sexualities outside of the hetero-/homonormative binary is revealed as well as a corresponding absence of appropriate support resources. Bisexuality and the Western Christian Church will be of interest to students and scholars across a range of disciplines, including gender studies, applied theology, sociology and social psychology. Choosing Your Power Springer The ring shout is the oldest known African American performance tradition surviving on the North American continent. Performed for the purpose of religious worship, this fusion of dance, song, and percussion survives today in the Bolton Community of McIntosh County, Georgia. Incorporating oral history, first-person accounts, musical transcriptions, photographs, and drawings, Shout Because You're Free documents a group of performers known as the McIntosh County Shouters. Derived from African practices, the ring shout combines call-and-response singing, the percussion of a stick or broom on a wood floor, and hand-clapping and foot-tapping. First described in depth by outside observers on the sea islands of South Carolina and Georgia during the Civil War, the ring shout was presumed to have died out in active practice until 1980, when the shouters in the Bolton community first came to the public's attention. Shout Because You're Free is the result of sixteen years

of research and fieldwork by Art and Margo Rosenbaum, authors of Folk Visions and Voices. The book includes descriptions of present-day community shouts, a chapter on the history of the shout's African origins, the recollections of early outside observers, and later folklorists' comments. In addition, the tunes and texts of twenty-five shout songs performed by the McIntosh County Shouters are transcribed by ethnomusicologist Johann S. Buis. Shout Because You're Free is a fascinating look at a unique living tradition that demonstrates ties to Africa, slavery, and Emancipation while interweaving these influences with worship and oneness with the spirit.

Some have said that the word "scam" is too strong for a book that argues against the church's most sacred cow, but "scam" is exactly the right word because tithing has been put forth as a duty that will earn that which Christ suffered and died to freely give us. Not only is it wrong to suggest that tithing will do what Christ died to do, such as open heaven or make one right with God, but such teaching is an insult to His sacrifice and in reality, an enemy to the Cross even as circumcison was in the early church.

Our ministers have been naively leading the church back under the Old Testament Law, and its curse, with imagined tithing promises that have gone way beyond even that which Malachi promised. Under the guise of "obedience, faithfulness and stewardship," we've been duped into believing we must prove ourselves without realizing that practicing the Law (tithing) blocks us from becoming sons and heirs according to Galatians 4: 5. Do you know that The book of Malachi was never intended to be instruction to the New Testament church? All the ordinances in Malachi (including tithing) were nailed to Jesus' cross, according to Colossians chapter 2? Tithing is part of the Law according to Matt. 23: 23, Malachi 3: 7, and Hebrews 7: 18? The practice of tithing, the Law, can expose you to the "curse of the Law" causing incurable sicknesses, debt, death, and many other problems, according to the Apostle Paul in Galatians 3: 10? The practice of tithing actually removes you from the state of grace and places you back the category of "sinner"? Hebrews 5: 4 Tithing causes you to "frustrate the grace of God," and causes "Christ to profit you nothing"? Galatians 2: 21 and 5: 2 Making tithing a practice today actually causes the New Testament to become "another gospel" according to Paul in Galatians 1: 6? Order *The Great Tithing Scam* today and find out what else tithing will or won't do.
