## PB-230LN - ECHO

### USA

A good user manual. The rules should oblige the seller to give the purchaser an operating instruction of Echo PB-230LN, along with an item. The lack of an instruction or false information given to customer shall constitute grounds to apply for a complaint because of nonconformity of goods with the contract.

You can find your product's model number on a plate affixed to the product or in the owner's manual.

Even though parts may look the same, there are often variances in similar parts and it is important to buy parts that fit your specific model. Most appliances show their model number on a plate somewhere that looks like this  
Number plates can appear in a number of different places, depending on ...
