The European Commission provides a range of guidance documents to assist stakeholders in implementing the medical devices regulations. Legally non-binding guidance documents, adopted by the medical device coordination group (MDCG) in accordance with Article 105 of Regulation 745/2017, pursue the objective of ensuring uniform application of the relevant provisions of the regulations within the EU.

Guidance specifically relating to Wales can be found here. These guidelines have been produced in line with the UK Government guidance on public spaces, outdoor activity and exercise published on 1 June 2020, which can be read here. All activity should be consistent with the Government guidance regarding health, social distancing and hygiene.
