In this blog post I will be reviewing Chapter 7 of Greg Garrard's book Ecocriticism. In this chapter, entitled 'Animals' Garrard explores the relationship between humans, animals and the natural world. Three elements of this chapter that I found interesting are presented below.

Greg Garrard - University of British Columbia
Description Ecocriticism explores the ways in which we imagine and portray the relationship between humans and the environment in all areas of cultural production, from Wordsworth and Thoreau through to Google Earth, J.M. Coetzee and Werner Herzog's Grizzly Man.

[Ecocriticism Greg Garrard](#)

Garrard provides thorough glosses of the concepts and problems that drive ecocriticism, sketches out the various positions that might fall under the ecocriticism label, and gives a detailed account of the thought that forms ecocriticism's theoretical underpinnings.

Greg Garrard (Author of Ecocriticism)

Greg Garrard's Ecocriticism goes beyond an introduction to the field. While Garrard provides an insightful overview of ecocriticism's past and present he also delves into some of the key debates in ecocriticism today, writing a book filled with layers and providing a text with a level of depth I seldom see in such broad overviews.
