In this blog post I will be reviewing Chapter 7 of Greg Garrard's book Ecocriticism. In this chapter, entitled 'Animals' Garrard explores the relationship between humans, animals and the natural world. Three elements of this chapter that I found interesting are presented below.

*Oxford Handbook of Ecocriticism - Oxford Handbooks*

Greg Garrard's Ecocriticism goes beyond an introduction to the field. While Garrard provides an insightful overview of ecocriticism's past and present he also delves into some of the key debates in ecocriticism today, writing a book filled with layers and providing a text with a level of depth I seldom see in such broad overviews.
