Todaro & Smith, Economic Development, 12th Edition | Pearson

Todaro and Smith take a policy-oriented approach, presenting economic theory in the context of critical policy debates and country-specific case studies, to show how theory relates to the problems and prospects of developing countries. The world ' s #1 eTextbook reader for students.

Teaches economic development within the context of country-specific examples so that theory is demonstrated through real-world issues. Adopts a problem-

and policy-oriented presentation
to foster students' ability to
understand contemporary
economic problems and to reach
independent and informed
conclusions.
