As a dissertation at the Charles University in Prague, it wasn't good enough, but as a book, it's a bestseller. The author won a scholarship to Yale. Even as a relative youngster, he belonged to former President Václav Havel's team of advisers on economic matters. Today he's a lecturer in economic history and philosophy at ...

[Dealing with Debt: A Review of 'Economics of Good and Evil ...](#)

In religion, ethics, philosophy, and psychology "good and evil" is a very common dichotomy. In cultures with Manichaeism and Abrahamic religious influence, evil is usually perceived as the dualistic antagonistic opposite of good, in which good should prevail and evil should be defeated. In cultures with Buddhist spiritual influence, both good and evil are perceived as part of an antagonistic ...

Sedláček is a Czech economist and a former member of the National Economic Council of the Czech Republic. He is a university lecturer, and The Economics of Good and Evil was a Czech best seller. In it, Sedláček urges us to do away with homo economicus – the purely rational being. He simply does not exist.

Tomas Sedlacek: The Economics of Good and Evil - BBC

"Economics of Good and Evil is an enchanting tour de force, offering the general public an unusual, erudite, and riveting view of the world. Scientists and scholars can choose how to read this book: either condemn it for its lack of a rigidly and traditionally scientific approach, or accept it as an invigorating elixir providing inspiration and vision for further study.
