*The French Phrase Book; Or, Key to French Conversation* Letts and Lonsdale

From four stunning and accomplished French women—a charming bestseller about how to slip into your inner cool and be a Parisienne. In short, frisky sections, these Parisian women give you their very original views on style, beauty, culture, attitude and men. The authors—Anne Berest, Audrey Diwan, Caroline de Maigret, and Sophie Mas—unmarried but attached, with children—have been friends for years. Talented bohemian iconoclasts with careers in the

worlds of music, film, fashion and publishing, they are untypically frank and outspoken as they debunk the myths about what it means to be a French woman today. Letting you in on their secrets and flaws, they also make fun of their complicated, often contradictory feelings and behavior. They admit to being snobs, a bit self-centered, unpredictable but not unreliable. Bossy and opinionated, they are also tender and romantic. You will be taken on a first date, to a party, to some favorite haunts in Paris, to the countryside, and to one of their dinners at home with recipes even you could do -- but to be out with them is to be in for some mischief and surprises. They will tell you how to be mysterious and sensual, look natural, make your boyfriend jealous, and how they feel about children, weddings and going to the gym. And they will

share their address book in Paris for where to go: At the End of the Night, for A Birthday, for a Smart Date, A Hangover, for Vintage Finds and much more.

Learning to Plan Modern Languages Lessons contains a wealth of guidance and ideas for those learning to teach in secondary schools. Drawing on

extensive experience and research in the field, it offers detailed explanation of basic lesson planning methods and the principles that underpin them, illustrated by worked examples of well-planned lessons. The book shows how to progress from planning smaller activities to full lessons to sequences of lessons, and how to ensure progression for your students. Specific aspects of language learning such as grammar and culture are explored, together with ideas for how to make your planning skills more effective in long-term collaborative and reflective practice. Starting from a presentation, practice, production (PPP) model of language teaching, the book aims to: provide structured, practical starting points in lesson planning for beginning teachers of modern languages (ML); deepen knowledge and understanding of ML as a subject and how it is learnt (pedagogical subject knowledge), in order to inform and support planning decisions; develop understanding of lesson planning as part of a planning cycle; enhance understanding of strategies and professional development opportunities to promote the further development of planning abilities. Including reflective/discussion tasks and example lesson plans Learning to Plan Modern Languages Lessons is a must-read book for beginning and more experienced teachers of any modern language.
