papers. Answers are also included. The Foundation course is targeted towards lower ability students.

Pearson Edexcel GCSE (9-1) Mathematics Higher Student Book 1 SAGE

It sounded a noble aim, for New Labour to prioritise education. The method they chose since coming to power was a relentless attempt to raise standards by an obsession with tests and exams in every school, almost at every level. Warwick Mansell researches the subject in detail, and reveals how intention and practice differ so widely.

GCSE Mathematics for Edexcel Foundation Homework Book Nelson Thornes
A student-friendly and engaging resource for the 2016 Edexcel GCSE Geography B specification,

this brand new course is written to match the demands of the specification. As well as providing thorough and rigorous coverage of the spec, this book is designed to engage students in their learning and to motivate them to progress. The Times Index HarperCollins UK

This Student Book provides a grammar-led approach with extensive exam preparation to develop independent, culturally aware students of German, ready for the exam. This book is endorsed by Cambridge International Examinations for the latest IGCSE® (0525) and International Level 1/Level 2

Certificate (0677) syllabuses. Extensive use of German reflects the style of the exams and, with specific advice and practice, it helps students use the acquired skills to their best ability. Topics on German-speaking cultures are integrated throughout to ensure students gain the cultural awareness that is at the heart of this qualification. - Develop students' ability to use German effectively - Stretch and challenge students to achieve their best grades - Ensure the progression required for further study at A-level or equivalent - Provide insight and encourage a positive attitude towards other cultures The book provides up-to-date content following a clear sequencing of topics designed specifically for

teaching German at this level. It is designed to develop spontaneous, confident linguists who are able to progress to further study of German. - Teacher Resource + Audio-CDs (ISBN 9781471833076) includes all recordings and transcripts together with detailed guidance, editable vocabulary lists, cultural PowerPoints and interactive quizzes - Grammar Workbook (ISBN 9781471833182) Vocabulary is also available online at Vocab Express, an interactive learning application Visit www.vocabexpress.co.uk/hodder for more information. **Specification a SAGE Exam Board: Edexcel Level: GCSE Subject: Business First**

<p>Teaching: September 2017 First Exam: June 2019 Endorsed for Edexcel Let Ian Marcouse successfully steer you through the new specification with his proven and popular approach to Business; clear content coverage is enhanced by numerous real-life examples to create a course that engages, motivates and develops every student. - Breaks down the content of the 2017 specification into clear, accessible explanations of important concepts and theories - Helps students apply</p>	<p>their knowledge to a range of real business examples, issues and contexts, supported by 'Talking Points' that encourage critical and commercial thinking - Improves quantitative, investigative, analytical and evaluation skills through end-of-chapter exercises - Builds students' confidence approaching their exams as they practise calculation, short answer and extended-writing questions with stimulus materials - Boosts students' vocabulary and supports revision with definitions of key</p>	<p>terminology for each topic Higher tier Heinemann A new series of bespoke, full-coverage resources developed for the 2015 GCSE Mathematics qualifications.
