New Grade 9-1 GCSE Chemistry: Edexcel Exam Practice Workbook HarperCollins UK

Critical Religious Education in Practice serves as an accessible handbook to help teachers put Critical Religious Education (CRE) into practice. The book offers straightforward guidance, unpicking some of the key difficulties that teachers encounter when implementing this high-profile pedagogical approach. In-depth explanations of CRE pedagogy, accompanied by detailed lesson plans and activities, will give teachers the confidence they need to inspire debate in the classroom, tackling issues as controversial as the authority of the Qur'an and the relationship between science and religion. The lesson plans and schemes of work exemplify CRE in practice and are aimed at empowering teachers to implement CRE pedagogy across their curriculum. Additional chapters cover essential issues such as differentiation, assessment, the importance of subject knowledge and tips for tackling tricky topics. The accompanying resources, including PowerPoint presentations and worksheets, are available via the book's companion website. Key to developing a positive classroom culture and promoting constructive attitudes towards Religious Education, this text is essential reading for all

practising and future teachers of Religious Education in secondary schools.

New Edexcel International GCSE Maths Exam Practice Workbook: Higher - Grade 9-1 (with Answers)
Payne Gallway

This book supports students preparing for the Edexcel GCSE exam. The practice papers in the book are carefully modelled after past papers and specifications of exam board to ensure that the papers as a whole provide a rich and varied practice to meet all requirements of GCSE mathematics with an appropriate difficulty. Papers are designed to teach students the most easily applicable, reusable and fastest solutions to typical problems, and utilise problems which target areas of maths which students typically forget under the pressure of an exam. Solutions provided have been reviewed by many students to ensure that they are easily understandable while being the fastest and most re-applicable.
