Sexual Temptation Multnomah

Christians trying to model their lives after Jesus may find that He gets buried under lists, rules, and formulas. Now bestselling author Randy Alcorn offers a simple two-point checklist for Christlikeness based on John 1:14. The test consists of balancing grace and truth, equally and unapologetically. Grace without truth deceives people, and ceases to be grace. Truth without grace crushes people, and ceases to be truth. Alcorn shows the reader how to show the world Jesus -- offering grace instead of the world's apathy and tolerance, offering truth instead of the world's relativism and deception. Grace or Truth...or Both? Truth without grace breeds self-righteousness and crushing legalism. Grace without truth breeds deception and moral compromise. Is it possible to embrace both in balance? Jesus did. Randy Alcorn offers a simple yet profound two-point checklist of Christlikeness. "In the end," says Alcorn, "we don't need grace or truth. We need grace and truth. And for people to see Jesus in us, they must see both."

"Send in your donation by December 31st and enjoy the benefits of giving on your next tax return!" Who hasn't heard fundraising gimmicks like these? Or, who hasn't used these gimmicks on others? Fundraising and giving are not simply drops in the bucket. Capital campaigns and raising funds go deeper than the money. They are spiritual activities in becoming more like Christ. A Revolution in Generosity is a work by some of the best scholars and practitioners on the subject of funding Christian organizations. As Willmer writes,

"The foundation for realizing a revolution in generosity is understanding the biblical view of possessions, generosity, and asking for resources." With over twenty expert contributors, this book is a must-read for organizations striving to rid themselves of secular, asking practices and gain an eternal approach.

The Ishbane Conspiracy Thomas Nelson

Suffering is, in the end, God's invitation to trust him. "As he did in his best-selling book, Heaven, Randy Alcorn delves deep into a profound subject, and through compelling stories, provocative questions and answers, and keen biblical understanding, he brings assurance and hope to all." -- Publishers Weekly Every one of us will experience suffering. You may be in such a time now. We see the presence of evil in the headlines every day. It all raises questions about God—Why would an all-good and all-powerful God create a world full of evil and suffering? How can there be a God if suffering and evil exist? Atheists such as Richard Dawkins and even former believers like Bart Ehrman answer the question simply: The existence of suffering and evil proves there is no God. But in this illuminating book, best-selling author Randy Alcorn challenges the logic of disbelief, and brings a fresh, hopeful, and thoroughly biblical insight to the issues these important questions raise. Alcorn offers insights from his conversations with men and women whose lives have been torn apart by suffering, and yet whose faith in God burns brighter than ever. He reveals the big picture of who God is and what God is doing in the world—now and forever. And he shows the beauty of God's sovereignty—how it ultimately triumphs over suffering and evil in our lives and the world around us.
