At the simplest level possible, the heater works by passing hot coolant from the engine into a tiny radiator called the heater core. At this point, the blower motor blows air across the it and the newly heated air blows on to the driver and passengers. If the heater has stopped working in your Edge, this ... *Edge of the Heat 4 (Edge of the Heat, #4) by Lisa Ladew* Series: Edge of the Heat (Book 2) Paperback: 228

Edge of the Heat follows four couples on their journey from disaster to happily ever after.

Following a near death experience, firefighter paramedic Emma Hill's world is turned upside down.

Haunted by a vision of the man who could very well be her soul mate, Emma is desperate to find him, but fear stands in her way.
