Ditch That Textbook

Houghton Mifflin
Harcourt
Textbooks are symbols
of centuries-old
education. They're
often outdated as soon
as they hit students'
desks. Acting "by the
textbook" implies
compliance and a lack
of creativity. It's
time to ditch those
textbooks--and those
textbook assumptions
about learning In
Ditch That Textbook,
teacher and blogger
Matt Miller encourages
educators to throw out
meaningless,
pedestrian teaching
and learning
practices. He empowers
them to evolve and
improve on old,
standard, teaching
methods. Ditch That
Textbook is a support
system, toolbox, and
manifesto to help
educators free their
teaching and
revolutionize their

classrooms.

Throughout history, some books have changed the world. They have transformed the way we see ourselves - and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives - and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook

civilization and helped make us who we are. Thoreau's account of his solitary and self-sufficient home in the New England woods remains an inspiration to the environmental movement - a call to his fellow men to abandon their striving, materialistic existences of 'quiet desperation' for a simple life within their means, finding spiritual truth through awareness of the sheer beauty of their surroundings.

The Junction of Sunshine and Lucky
Penguin
Millicent Min is having a bad summer.

Her fellow high school students hate her for setting the curve. Her fellow 11-year-olds hate her for going to high school. And her mother has arranged for her to tutor Stanford Wong, the poster boy for Chinese geekdom. But then Millie meets Emily. Emily doesn't know Millicent's IQ score. She actually thinks Millie is cool. And if Millie can hide her awards, ignore her grandmother's advice, swear her parents to silence, blackmail Stanford, and keep all her lies straight, she just might make her first friend. What's it going to take? Sheer genius.

This ongoing series serves as a stepping

stone in understanding specific careers and provides a wealth of information on the education and training needed within each profession along with a look towards the future of the field with an informative employment outlook.

The Most Dangerous Game Knopf

The poems in this sequence of fifty-four were written to encompass one year, from summer to summer. Their principal themes are the stasis, both stultifying and provocative, of midsummer in the tropics; the pull of the sea, family, and friendship on

one whose circumstances lead to separation; the relationship of poetry to painting; and the place of a poet between two cultures. Walcott records, with his distinctive linguistic blend of soaring imagery and plainly stated facts, the experience of a mid-lief period--in reality and in memory or the imagination. As Louis Simpson wrote on the publication of Walcott's *The Fortunate Traveller*, "Walcott is a spellbinder. Of how many poets can it be said that their poems are

compelling--not a mere stringing together of images and ideas but language that delights in itself, rhythms that seem spontaneous, scenes that are vividly there?...The poet who can write like this is a master." *Where I Lived, and What I Lived For*

Anchor

George Orwell's famous satire of the Soviet Union, in which "all animals are equal but some animals are more equal than others."

The Code Book Salem Press

¡Viva la causa!
¡Viva César Chávez!
Up and down the San

Joaquin Valley of California, and across the country, people chanted these words. Cesar Chavez, a migrant worker himself, was helping Mexican Americans work together for better wages, for better working conditions, for better lives. No one thought they could win against the rich and powerful growers. But Cesar was out to prove them wrong -- and that he did.

Get Set for School

Dreaming in Cuban

From one of America's most popular short story writers and an Academy Award nominee: the O. Henry Award-winning tale that inspired

the movie *The Hunt*. A subject of mysterious rumors and superstition, the deserted Caribbean Island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale “has inspired serial killers, films and stirred

controversy in schools. A century on, the story continues to thrill” (*The Telegraph*). “[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what it means to be hunted.” —*Criterion Buried in the Sky* National Geographic Books
“Impressive . . . [Cristina García’s] story is about three generations of Cuban women and their separate responses to the revolution. Her special feat is to tell it in a style as warm and

Frankenstein (Modern English Translation)
McGraw-Hill Education

Acclaimed as one of the greatest novels of the last century, Vikram Seth's *A Suitable Boy* remains, twenty years after publication, one of the most entrancing and spellbinding works of fiction yet written. A love story as well as the tale of a country awakening from long years of colonial rule, it tells of Lata, and of her mother's exacting

attempts to find her the perfect husband. It also recounts India's troubles shaping its own destiny as the country marches towards its first great General Election. It is a story that readers the world over can neither put down nor ever forget. 'Fiction on a grand scale. By the time you reach the last page you will have absorbed a splendid story, full of the tangle and perfume of India.' Sunday Telegraph 'Vivid, evocative and beautifully written.' Literary Review 'No one, surely, could wish this novel shorter. The greatness of the novel, its

unassailable truthfulness, owes less to research than to imagination, an instinctive knowledge of the human heart.' Observer 'This novel, so vast and so amiably peopled, is a long, sweet, sleepless pilgrimage to life.' Guardian 'A phenomenon, a prodigy, a marvel of nineteenth-century style storytelling.' Evening Standard 'Seth is the best writer of his generation.' The Times
