Courses within Edgenuity
can be customized to
meet the needs of your
students. This session will
walk you through the
customization process.
Topics include adding
projects/writing prompts to
courses, searching for
content using state
standards, and removing
lessons/activities from a
course.

Professional Development Quick Start Guide
Edgenuity has provided courses for students since 1998, and through our experience with teachers, students, and parents, we built an engaging and effective curriculum that connects science, math, language arts, social

studies, and elective courses to your student's everyday world. Using a combination of animations, simulations, video-led direct instruction, relevant web sites, and a myriad of activities that support the lesson's topic, students have a wealth of information at their ...
