Hidden Figures Legare Street Press
The Black Panther Party represents Black Panther Party members' coordinated responses over the last four decades to the failure of city, state, and federal bureaucrats to address the basic needs of their respective communities. The Party pioneered free social service programs that are now in the mainstream of American life. The Party's Sickle Cell Anemia Research Foundation, operated with Oakland's Children's Hospital, was among the nation's first such testing programs. Its Free Breakfast Program served as a model for national programs. Other initiatives included free clinics, grocery giveaways, school and education programs, senior programs, and legal aid programs. Published here for the first time in book form, **The Black Panther Party** makes the case that the programs' methods are viable models for addressing the persistent, basic social injustices and economic problems of today's American cities and suburbs.

The Kid in the Red Jacket Evan-Moor Educational Publishers

It started with a mother's love... Fleeing from a forest fire, a mother bear urges her two cubs into the watery shelter of a vast body of water.

Though it will be difficult, she knows if they can swim across to the opposite shore, they will be safe. With calls of encouragement and steadfast love, Mother Bear guides her cubs across the great lake, Lake Michigan. And the story of what happens once Mother Bear reaches the far shore becomes the legend behind the natural wonder known as Sleeping Bear Dune. In 1998 writer Kathy-jo Wargin and nature artist Gijsbert van Frankenhuyzen combined their talents to bring **The Legend of Sleeping Bear** to life. Published to wide acclaim, the book was soon named the Official Children's Book of Michigan.
