'One way of describing Educating Rita would be to say that it was about the meaning of education ... Another would be to say that it was about the meaning of life. A third, that it is a cross between Pygmalion and Lucky Jim. A fourth, that it is simply a marvellous play, painfully funny and passionately serious; a hilarious social documentary; a fairy-tale with a quizzical, half-happy ending.' Sunday Times

In a world where the value of a liberal arts education is no longer taken for granted, Mark William Roche lucidly and passionately argues for its essential importance. Drawing on more than thirty years of experience in higher education as a student, faculty member, and administrator, Roche deftly connects the broad theoretical perspective of educators to the practical needs and questions of students and their parents. Roche develops three overlapping arguments for a strong liberal arts education: first, the intrinsic value of learning for its own sake, including exploration of the profound questions that give meaning to life; second, the cultivation of intellectual virtues necessary for success beyond the academy; and third, the formative influence of the liberal arts on character and on the development of a sense of higher purpose and vocation. Together with his exploration of these three values—intrinsic, practical, and idealistic—Roche reflects on ways to integrate them, interweaving empirical data with personal experience. Why Choose the Liberal Arts? is an accessible and thought-provoking work of interest to students, parents, and administrators.

"A California classic . . . California, it should be remembered, was very much the wild west, having to wait until 1850 before it could force its way into statehood. so what tamed it? Mr. Starr's answer is a combination of great men, great ideas and great projects." —The Economist
From the age of exploration to the age of Arnold, the Golden State's premier historian distills the entire sweep of California's history into one splendid volume. Kevin Starr covers it all: Spain's conquest of the native peoples of California in the early sixteenth century and the chain of missions that helped that country exert control over the upper part of the territory; the discovery of gold in January 1848; the incredible wealth of the Big Four railroad tycoons; the devastating San Francisco earthquake of 1906; the emergence of Hollywood as the world's entertainment capital and of Silicon Valley as the center of high-tech research and development; the role of labor, both organized and migrant, in key industries from agriculture to aerospace. In a rapid-fire epic of discovery, innovation, catastrophe, and triumph, Starr gathers together everything that is most important, most fascinating, and most revealing about our greatest state. Praise for California "[A] fast-paced and wide-ranging history . . . [Starr] accomplishes the feat with skill, grace and verve." —Los Angeles Times Book Review

"Kevin Starr is one of California's greatest historians, and California is an invaluable contribution to our state's record and lore." —Marla Shriver, journalist and former First Lady of California

"Written in a mood of total austerity; and yet the passion of the book is perpetually beating up against its seemingly barren surface. . . . I am deeply moved." -Philip Roth During the early weeks of the Korean War, Captain Lee, a young South Korean officer, is ordered to investigate the kidnapping and mass murder of North Korean ministers by Communist forces. For propaganda purposes, the priests are declared martyrs, but as he delves into the crime, Lee finds himself asking: What if they were not martyrs? What if they renounced their faith in the face of death, failing both God and country? Should the people be fed this lie? Part thriller, part mystery, part existential treatise, The Martyred is a stunning meditation on truth, religion, and faith in times of crisis. 'One for the Road' is an almost farcical comedy about one dinner party too many, as Dennis loses patience with domesticity and makes a break for the freedom of the open road. As his anarchic streak reveals itself, what was supposed to be an impeccably middle-class dinner becomes a first-class row about middle age, affairs, and what's locked in the bureau. Russell's hilarious and sharply observed play was first performed at the Lyric Theatre, London in 1987.

Educating Rita Cambridge University Press Vibrant and candid memoirs of the late, great British character actor, Pete Postlethwaite. After training as a teacher, Pete Postlethwaite started his acting career at the Liverpool Everyman Theatre where his colleagues included Bill Nighy, Jonathan Pryce, Antony Sher and Julie Walters. After routine early appearances in small parts for television programmes such as THE PROFESSIONALS, Postlethwaite's first success came with the acclaimed British film DISTANT VOICES, STILL LIVES in 1988. He then received an Academy Award nomination for his role in THE NAME OF THE FATHER in 1993. His performance as the mysterious lawyer "Kobayashi" in THE USUAL SUSPECTS is well-known, and he appeared in many successful films including ALIEN 3, BRASSED OFF, THE SHIPPING NEWS, THE CONSTANT GARDENER, as Friar Lawrence in Baz Luhrmann's ROMEO + JULIET, and in INCEPTION with Leonardo diCaprio. Pete Postlethwaite was one of the best-loved and widely admired performers on stage, TV (SHARPE, THE SINS) and in cinema. In THE ART OF DISCWORLD, Terry Pratchett said that he had always imagined Sam Vimes as 'a younger, slightly bulkier version of Pete Postlethwaite', while Steven Spielberg called him 'the best actor in the world', about which Postlethwaite said: 'I'm sure what Spielberg actually said was, "the thing about Pete is that he thinks he's the best actor in the world."' This is the story of a diverse and multi-talented actor's eventful life, told in his own candid and vibrant words.

Seminar paper from the year 2011 in the subject Literature - Basics, grade: 3,0, University of Kassel, course: Literaturwissenschaften - Education and Drama, language: English, abstract: Surrounded by traditions and habits of mind and action, working-class people have never received the chance to realize their potential. The working-class is defined by the relation of the status to manual occupations and limits economic standing as well as cultural ties and shared views (Roberts 3-4). The people's life, therefore, is prefabricated and follows strict traditions and habits. When Roberts says that "working-class women had learned when young that their place was in the home" and that "it was accepted by all that the ultimate responsibility for the home was theirs," (Roberts 125) it becomes obvious that, for example, the women's task is restricted to the kitchen work, the household, and to raising the children. Women know from their childhood that to fulfill these tasks is their destiny and because of missing possibilities and the argument of traditional habits, hardly lots of women and men are trying to escape from these circumstances. Traditions and conventions in this context can also be seen as external influences that restrains individuality. Being a member of the working-class means contribution and passing on a tradition. Furthermore, working-class members feel a certain kind of repletion according to material needs which keeps them from changing the status quo. Status quo should be defined as the situation as it is now, or as it was before (Oxford 1500). Being different from somebody else, i. e. in this case from the community, is not accepted. A person always has to be a member of the group

and act like one, whereas individuality is deprecated by the others (Kugler-Euerle 92). Since education is seen as useless and in contrast to the conventions, educated people distinguish themselves from the community as a whole. The following will be focused on the term Education and the implication of escaping from the boundaries of working-class members to achieve independence and individuality. The convictions and the strength to put up with the strain of traditions and conventions will be exemplified through Educating Rita by Willy Russell.
