ERIC - EJ862740 - Educational Analysis of a First Year ...

SWOT analysis for schools, teachers and education, colleges and universities – Strengths, Weaknesses, Opportunities and Threats in an educational environment. A SWOT analysis for schools is a tool that can provide prompts to the governors, management teachers and staff involved in the study of what is practical and less effective in the schools' systems and procedures — often used in preparation for a plan of some form (that could be an audit, assessments, quality checks etc.).  
Center for First-generation Student Success  
"An Education" tells the story of a 16-year-old girl who is the target of a sophisticated seduction by a 35-year-old man. This happens in 1961, when 16-year-old girls were a great deal less knowing than they are now. Yet the movie isn't shabby or painful, but romantic and wonderfully

entertaining.
