In this brilliantly modern novel of love, obsession, and revenge, a professor pieces together the life and mysterious death of a former student—and unearths a shocking revelation about her final days. “A deliciously modern take on the psychological thriller” (Daily Telegraph). On a snowy February morning, the body of twenty-five-year-old journalist Alice Salmon washes up on a riverbank south of London. The sudden, shocking death of this beloved local girl becomes a media sensation, and those who knew her struggle to understand what happened to lively, smart, and savvy Alice Salmon. Was it suicide? A tragic accident? Or...murder? Professor Jeremy Cooke, known around campus as Old Cookie, is an anthropologist nearing the end of his unremarkable academic career. Alice is his former student, and the object of his unhealthy obsession. After her death, he embarks on a final project—a book documenting Alice’s life through the digital and paper trails that survive her: her diaries, letters, Facebook posts, Tweets, and text messages. He collects news articles by and about her; he transcribes old voicemails; he interviews her friends, family, and boyfriends. Bit by bit, the real Alice—a complicated and vulnerable young woman—springs fully formed from the pages of Cookie’s book...along with a labyrinth of misunderstandings, lies, and secrets that cast suspicion on everyone in her circle—including Jeremy himself.

Things We Do in the Dark is a brilliant new thriller from Jennifer Hillier, the award-winning author of the breakout novels Little Secrets and Jar of Hearts. Paris Peralta is suspected of killing her celebrity husband, and her long-hidden past now threatens to destroy her future. When Paris Peralta is arrested in her own bathroom—covered in blood, holding a straight razor, her celebrity husband dead in the bathtub behind her—she knows she’ll be

charged with murder. But as bad as this looks, it’s not what worries her the most. With the unwanted media attention now surrounding her, it’s only a matter of time before someone from her long hidden past recognizes her and destroys the new life she’s worked so hard to build, along with any chance of a future. Twenty-five years earlier, Ruby Reyes, known as the Ice Queen, was convicted of a similar murder in a trial that riveted Canada in the early nineties. Reyes knows who Paris really is, and when she’s unexpectedly released from prison, she threatens to expose all of Paris’s secrets. Left with no other choice, Paris must finally confront the dark past she escaped, once and for all. Because the only thing worse than a murder charge are two murder charges.

Discover the novel praised as a “nail-biting thriller” (Publishers Weekly), a “compelling web” (Kirkus Reviews), “tightly plotted character study” (RT Magazine), and a “dark, twisty tale of lurid secrets, lavish lifestyles, and devastating loss” (Lisa Gardner). A woman

who almost had it all....On the surface, Celine Gonzalez had everything a twenty-eight-year-old in Manhattan could want: a one-bedroom apartment on the Lower East Side, a job that (mostly) paid the bills, and an acceptance letter to the prestigious Hollingsworth Institute of Art, where she would finally live out her dream of becoming an antiques appraiser for a major auction house. All she had worked so hard to achieve was finally within her reach. So why would she kill herself? A man who was supposed to be her salvation....Maggie Sparkes arrives in New York City to pack up what 's left of her best friend ' s belongings after a suicide that has left everyone stunned. The police have deemed the evidence conclusive: Celine got into bed, downed a lethal cocktail of pills and vodka, and never woke up. But when Maggie discovers a scandalous photograph in a lock box hidden in Celine ' s apartment, she begins asking questions. Questions about the man Celine fell in love with. The man she never told anyone about, not even Maggie. The man Celine believed would change her life. Until he became her ruin....On the hunt for evidence that will force the police to reopen the case, Maggie uncovers more than she bargained for about Celine ' s private life—and inadvertently puts herself on the radar of a killer. A killer who will stop at nothing to keep his crimes undiscovered.

"One of Deaver's most diabolical villains." - New York Times Book Review "Deaver is the most creative, skilled, and intriguing thriller writer in the world." - Daily Telegraph A tragedy occurs at a small concert venue on the Monterey Peninsula. Cries of "fire" are raised and, panicked, people run for the doors, only to find them blocked. A half dozen people die and others are seriously injured. But it's the panic and the stampede that killed them; there was no fire. Kathryn Dance--a brilliant California Bureau of Investigation agent and body language expert--discovers that the stampede was caused intentionally and that the perpetrator, a man obsessed with turning people's own fears and greed into weapons, has more attacks planned. She and her team must race against the clock to find where he will strike next before more innocents die.
