It's Me, Margarita Vermouth the Bell Tolls and more! 2013 Goodreads Choice Award (Food & Cookbooks) Entertainment Weekly Great Gifts for Book Lovers BookPage Best of 2013 Clue on Jeopardy

The Book of Life Sphere

It's been 21 days since the hundred landed on Earth. They're the only humans to set foot on the planet in centuries... or so they thought. Book 2 in *The 100* series, now a popular show on the CW network. Facing an unknown enemy, Wells attempts to keep the group together. Clarke strikes out for Mount Weather, in search of other colonists,

while Bellamy is determined to rescue his sister, no matter the cost. And back on the ship, Glass faces an unthinkable choice between the love of her life and life itself. In this pulse-pounding sequel to *The 100*, secrets are revealed, beliefs are challenged, and relationships are tested. And the hundred will struggle to survive the only way they can--together. [Red at Night](#) HarperCollins The capable, confident, and occasionally ruthless heroine of *Daughter of the Pirate King* is back in this action-packed sequel that promises rousing high seas adventures and the perfect dash of magic. Alosa's mission is finally complete. Not only has she recovered all three pieces of the map to a legendary hidden treasure, but the pirates who originally took her captive are now prisoners on her ship. Still unfairly attractive and unexpectedly loyal, first mate Riden is a constant distraction, but now he's under her orders. And she

takes great comfort in knowing that the villainous Vordan will soon be facing her father's justice. When Vordan exposes a secret her father has kept for years, Alosa and her crew find themselves in a deadly race with the feared Pirate King. Despite the danger, Alosa knows they will recover the treasure first . . . after all, she is the daughter of the Siren Queen. In *Daughter of the Siren Queen*, Tricia Levenseller brings together the perfect mix of thrilling action, tense battle scenes, and a heart-pounding romance.

Queen of Babble with Bonus Material
Celadon Books

The classic novelization of one of Broadway's most enduring and beloved musicals, *West Side Story*. Maria is young and innocent and has never known love--until Tony. And Tony, searching for life beyond the savagery of the streets, has discovered love for the first time with her, too. But

Maria's brother is the leader of the Sharks and Tony had once led the rival Jets. Now, both gangs are claiming the same turf and with tensions rising to the point of explosion, it seems there is no way to stop a rumble. Tony promised Maria that he would stay out of it. But will he be able to keep his word or will their newfound love be destroyed by violence or even death? Evocative and unforgettable, this novelization brings out all of the depth, drama, and beauty of one of the most enduring stories in the history of American theater.

science could explain how he survived his 40-year avalanche of drugs and alcohol, Ozzy Osbourne became one of a handful of people in the world to have his entire DNA mapped in 2010. It was a highly complex, \$65,000 process, but the results were conclusive: Ozzy is a genetic anomaly. The "Full Ozzy Genome" contained variants that scientists had never before encountered and the findings were presented at the prestigious TEDMED Conference in San Diego-making

headlines around the world. The procedure was in part sponsored by The Sunday Times of London, which had already caused an international fururoe by appointing Ozzy Osbourne its star health advice columnist. The newspaper argued that Ozzy's mutliple near-death experiences, 40-year history of drug abuse, and extreme hypocondria qualified him more than any other for the job. The column was an overnight hit, being quickly picked up by Rolling Stone to give it a global

audience of millions. In *Trust Me, I'm Dr. Ozzy*, Ozzy answers reader's questions with his outrageous wit and surprising wisdom, digging deep into his past to tell the memoir-style survival stories never published before- and offer guidance that no sane human being should follow. Part humor, part memoir, and part bad advice, *Trust Me, I'm Dr. Ozzy* will include some of the best material from his published columns, answers to celebrities' medical questions, charts, sidebars,

and more.

Deenie Random House
A novel on Turkey featuring a group of students infatuated with a book. One of them has even abandoned his studies to make copies by hand so others can share it. It is never made clear what the book contains, but while the young are enthusiastic their elders think the contents are degenerate, another example of foreign influence ruining the country.

whose courage and vision have helped change people's lives for the better. Once again, three bestselling Harlequin authors have written stories inspired by these remarkable women. In *Red at Night*, Stella and Jonah are total opposites. She's the girl with purple hair from the wrong part of town. He's a high school senior who hangs with the cool crowd. Until a car accident leaves him haunted by guilt, and Jonah starts spending time at Stella's favorite refuge...the local cemetery. Stella

knows she should keep her distance—after all, she spent her girlhood being bullied by Jonah's friends. Once he's sorted out his tangled emotions, Jonah won't have time for her anymore. Too bad she's already fallen for him... Look for all three ebooks inspired by real-life heroines: *Red at Night* by Katie McGarry, *You Are Here* by Liz Fichera and *The Gift of a Good Start* by Earl Sewell. *The Singing Tree* Ember The #1 New York Times bestselling third installment in the *All Souls* series, from the

The Story of Tracy Beaker Penguin

A marriage-of-convenience spicy standalone romance from the New York Times bestselling author of Archer's Voice. Some vows are meant to be broken, but others are worth risking everything for...even your heart. Kira Dallaire is desperate. She must get married, and fast, to access the inheritance her late grandmother left her. Otherwise, she'll find herself at the mercy of her wealthy, abusive father. With little money and even fewer options, she uses her quick wit and impulsive heart to come up with a plan. Grayson Hawthorn is

losing hope. A convicted felon with limited capital and dwindling resources, his vow to resurrect his family's struggling vineyard seems destined to fail. That is, until a young woman enters his office with an outlandish proposal—a win-win business marriage he can't refuse. But what begins as a temporary arrangement soon threatens to become more, as vibrant, spirited Kira challenges detached, arrogant Grayson to want more from life. To want more for himself. As their wills clash and fiery passion ignites, the two realize that sometimes the past creates walls too difficult to climb, and lies and deception rarely precede a

The Night is for Hunting Sweet Valley

In a time of increasing mass incarceration, US prisons and jails are becoming a major source of literary production.

Prisoners write for themselves, fellow prisoners, family members, and teachers. However, too few write for college credit. In the dearth of well-

organized higher education in US prisons, noncredit programs established by colleges and universities have served as a leading means of informal learning in these settings. Thousands of teachers have entered prisons, many teaching writing or relying on writing practices when teaching other subjects. Yet these teachers have few pedagogical resources. This groundbreaking collection of essays provides such a resource and establishes a framework upon

which to develop prison writing programs. Prison Pedagogies does not champion any one prescriptive approach to writing education but instead recognizes a wide range of possibilities. Essay subjects include working-class consciousness and prison education; community and literature writing at different security levels in prisons; organized writing classes in jails and juvenile halls; cultural resistance through writing education; prison newspapers and writing

archives as pedagogical resources; dialogical approaches to teaching prison writing classes; and more. The contributors within this volume share a belief that writing represents a form of intellectual and expressive self-development in prison, one whose pursuit has transformative potential.
