"In the tradition of Tracy Chevalier 's Girl with a Pearl Earring, Palombo has married fine art with romantic historical fiction in this lush and sensual interpretation of Medici Florence, artist Sandro Botticelli, and the muse that inspired them all." - Booklist A girl as beautiful as Simonetta Cattaneo never wants for marriage proposals in 15th Century Italy, but she jumps at the chance to marry Marco Vespucci. Marco is young, handsome and well-educated. Not to mention he is one of the powerful Medici family 's favored circle. Even before her marriage with Marco is set, Simonetta is swept up into Lorenzo and Giuliano de ' Medici 's glittering circle of politicians, poets, artists, and philosophers. The men of Florence—most notably the rakish Giuliano de ' Medici—become enthralled with her beauty. That she is educated and an ardent reader of poetry makes her more desirable and fashionable still. But it is her acquaintance with a young painter, Sandro Botticelli, which strikes her heart most. Botticelli immediately invites Simonetta, newly proclaimed the most beautiful woman in Florence, to pose for him. As Simonetta learns to navigate her marriage, her place in Florentine society, and the politics of beauty and desire, she and Botticelli develop a passionate intimacy, one that leads to her immortalization in his masterpiece, The Birth of Venus. Alyssa Palombo 's The Most Beautiful Woman in Florence vividly captures the dangerous allure of the artist and muse bond with candor and unforgettable passion.

It is important to understand the wielding of power in such a period when those people are continuously attacked who, setting their eyes on the possibilities of the future, try to find new ways not only for their people, state, but also for Europe, for the whole mankind. Both by countries and globally, the power is exerted jointly by two powers: the organized public

power and the organized private power. These two powers not only compete with each other, but also cooperate, because they are dependent on each other. The organized private power gives priority to the individual and to the private power against the interests of the community, and emphasizes the individual rights of the persons against the collective rights of the community. Instead of the public welfare, it favours the individual prosperity, the achievement of the self-interest and even the selfishness, making by this possible the appearance of the extreme property relations and the differences of power based on them. The organized private power operates as a multinational giant corporation embracing the whole world. The main decisions are made by the owners, the altogether 300 super-rich banker dynasties, as it is shown in detail in David Rothkopf's work titled Superclass. The execution of the owners' decision is controlled by the members of the board of directors. It includes, among others, the presidents or prime ministers of the bigger states, the heads of the big international organizations, as well as the leaders of the UNO, the World Trade Organization, the NATO, the European Union, the World Bank, the International Monetary Fund, the Basel-based Bank of International Settlements, the European Central Bank and of other similar organizations. The third level includes the managers who actually execute the owners' decisions. This hierarchical structure has nothing to do with the democracy. The organized private power even denies itself, because if it admitted its own existence, it could be called to account for its decisions and, in a given situation, it could even be removed. This money rule world elite - 1% of the mankind - exerts a selfish dictatorship over 99% of mankind for enforcing its own self-interest. Hiding behind the curtain of liberal democracy, the members of this elite are the more equals, while the remaining part of mankind ar only equals. It is a fact that most members of the super-rich banker dynasties are of Jewish origin or Talmudist-Kabbalist Jews. This book would like to inform the readers about what causes make the members of the money rule elite, even in our days, to apply the double standard, what world strategy follows the international money cartel, and what his vision is on the future of mankind. For the Hungarian printed version of this book, the author has been LEGALLY SUED, but Mr. Drabik WON the legal case both on the first and second instance of the court, since he stated only pure facts, which furthermore have been proofed by a rabbi before the publication. Bare this in mind when you refer this book to your friends and colleagues. Can you see the symbolism on the book cover: the symbol of the rising sun, the pyramid and also Solomon's Pillars, Jachin and Boaz? We see them.

„A ragyogó napsütésbe kilépve ösztönösen hunyorogtam, majd megtorpantam. Ültek a padomon. Kissé megremegett a térdem, de azért er?t vettem magamon, és továbbmentem. – Te mit csinálsz itt? – kérdeztem Cortezt, aki a pad támláján ült, és ölébe ejtett kezében tartotta a zenelejátszóját. – Ülök – feleltél olyan stílusban, mintha ez azért elég egyértelmű lenne. Jó, tényleg az volt, a vak is láthatta, csak éppen... – Miért itt? – kérdeztem cseppet sem kedvesen. – Tudtommal már nem foglalt ez a hely – nézett mélyen a szemembe, nekem pedig

felkeltek a pillangók a gyomromban, és úgy döntöttek, hogy egységes erővel próbálnak kiszabadulni. Kérdés körbenéztem, remélve, hogy valaki segít, de azonkívül, hogy az udvaron állók kétkedtek és sanda pillantásokat vetettek felém, senkire nem számíthattam. Márpedig én le fogok ülni! Ez az én helyem! Pár „egyik lábamról a másikra állok” mozdulat után fogtam magam, és felültem Cortez mellé. Ennél furcsább még soha, semmi nem volt. – Akkor én olvasok - közöltem, de ahogy kimondtam, már meg is bántam. Miért jelentettem be? Mi ütött belém? – Jó - mondta elég furán. És ezen nem csodálkozom .”

„– Mi a diagnózis? – kérdezte Ricsi röhögve, mire a pszichológus ismét elmosolyodott, és a szemével körbepásztázta a társaságot. – Melyikötök Reni? – Én – emeltem fel a kezem zavartan. A pszichológus szeme körül apró ráncok jelentek meg, és bólintott. – ? a válasz a kérdésedre – mondta Ricsinek. – Gyógyítható? – kérdezte Dave nevetve. – Szerintem nem – nevetett fel a doki is. Vadul zakatoló szívvel néztem Cortezre, aki a napszemüveg mögül fürkészett. Fél évig járt miattam hétfő délutánonként a pszichológusához. Én ezt romantikusnak találok. Miért, nem az? – Tessék ide ülni – kérlelte Zsolti a dokit, aki végül csatlakozott hozzánk, és lazán elhelyezkedett a főben, felhúzott térdeire kulcsolta a kezét, és türelmesen hallgatta Zsoltit. – Szóval a visszatér? rémálmom.
