and Babymouse! Ginny has big plans for eighth grade. She's going to try out for cheerleading, join Virtual Vampire Vixens, and maybe even fall in love. But middle school is more of a roller-coaster ride than Ginny could have ever predicted. Her family has just moved into a fancy new house when Ginny's stepdad loses his job. (Can worrying about money make you sick?). Ginny's big brother keeps getting into trouble. And there's a new baby on the way. (Living proof that Ginny's mom and stepdad are having sex. Just what she needs.) Filled with Post-its, journal entries, grocery lists, hand-drawn comic strips, report cards, IMs, notes, and more, *Eighth Grade Is Making Me Sick* is the sometimes poignant, often hilarious, always relatable look at a year in the life of one girl, told entirely through her stuff.

Spectrum Math Workbook, Grade 8 Test Prep Books

This book is a Common Core workbook for students taking 8th grade math. It can be used prior or during the 8th grade to help students excel. At the end of the book there is a typical 50 question final exam with solutions and helpful hints. The many problems in this workbook follows the 16 day course book titled "Eighth Grade Common Core Math; 16 days to Mastering". Both the text and workbook are perfect for 8th grade students. It is also perfect for anyone who wants to have a solid understanding of math. It covers the basics of general math, algebra, geometry, and statistics. The Eighth Grade Common Core Math book mentioned above is a text book for 8th grade. It had just the right amount of problems and solutions to orient the student for 8th grade Common Core. It was developed to teach students the material that will be covered in the classrooms that follow Common Core curriculum. This workbook complements this Eighth Grade Common Core Math Book with more problems and a final exam. This workbook provides additional problems to go beyond mastering the subject. It will make the student totally proficient. Solving these math problems will make math second nature and will endure through a student's lifetime. Taking the practice final exam will provide the

student with feedback to his or her proficiency. The workbook "locks in" what was learned in the course book "Eighth Grade Common Core Math; 16 days to Mastering". The workbook follows the daily schedule and is thus divided into 16 segments that match the 16 day text book. While this workbook is divided into 16 distinct sections matching the 16 day text, a student and teacher can certainly develop their own pace. The workbook, just like the original course book, is designed for self-teaching by a student or-for a teacher or parent working with the student. Just like the textbook, this workbook is also valuable for preparing for the SAT and ACT tests.
