In the late 1970s, as Spain was adrift between the death of Franco and the rebirth of democracy, people were moving from the poor south to the cities of the north in search of a better life. But the work, when there was any, was poorly paid and the housing squalid. Out of this world of limited opportunities a generation of delinquents arose whose prospects were stifled and whose rebellion would be brief and violent... One summer's day in Gerona a bespectacled, sixteen-year-old Ignacio Cañas, known to his few friends as Gafitas, is working in an amusement arcade, when a charismatic teenager walks in with the most beautiful girl Cañas has ever seen. Zarco and Tere take over his pinball machine and his life. Thirty years on and now a successful criminal defence lawyer, Cañas has tried to put that long, hot summer of drugs, yearning and delinquency behind him. But when Tere appears in his office and asks him to represent El Zarco, who has been in prison all this time, what else can Gafitas do but accept. A powerful novel of love and hate, of loyalty and betrayal, of true integrity and the prison celebrity can become, *Outlaws* confirms Javier Cercas as one of the most thrilling novelists writing anywhere in the world today.

«Ainhoa Elizasu fue la segunda víctima del basajaun, aunque entonces la prensa todavía a no lo llamaba así. Fue un poco más tarde cuando trascendió que alrededor de los cadáveres aparecían pelos de animal, restos de piel y rastros dudosamente humanos, unidos a una especie de fúnebre ceremonia de purificación. Una fuerza maligna, telúrica y ancestral parecía haber marcado los cuerpos de aquellas casi niñas con la ropa rasgada, el vello púbico rasurado y las manos dispuestas en actitud virginal.» En los márgenes del río Baztán, en el valle de Navarra, aparece el cuerpo desnudo de una adolescente en unas circunstancias que lo ponen en relación con un asesinato ocurrido en los alrededores un mes atrás. La inspectora de la sección de homicidios de la Policía Foral, Amaia Salazar, será la encargada de dirigir una investigación que la llevará a devuelta a Elizondo, una pequeña población de donde es originaria y de la que ha tratado de huir toda su vida. Enfrentada con las cada vez más complicadas derivaciones del caso y con sus propios fantasmas familiares, la investigación de Amaia es una carrera contrarreloj para dar con un asesino que puede mostrar el rostro más aterrador de una realidad brutal al tiempo que convocar a los seres más inquietantes de las leyendas del Norte.

A “vivid and devastating” (The New York Times) portrait of an indomitable girl—from Pulitzer Prize-winning journalist Andrea Elliott “From its first indelible pages to its rich and startling conclusion, *Invisible Child* had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian

depths.”—Ayad Akhtar, author of *Homeland Elegies* **ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic, The New York Times Book Review, Time, NPR, Library Journal** In *Invisible Child*, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani's childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City's homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter “to protect those who I love.” When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott's *Invisible Child* reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. Mission 1 BRILL

This book addresses contemporary discourses on a wide variety of topics related to the ideological and epistemological changes of the 19th, 20th and 21st centuries, and the ways in which they have shaped the Spanish language and cultural manifestations in both Spain and Hispanic America. The majority of the chapters are concerned with ‘otherness’ in its various dimensions; the alien Other – foreign, immigrant, ethnically different, disempowered, female or minor – as well as the Other of different sexual orientation and/or ideology. Following Octavio Paz, otherness is expressed as the attempt to find the lost object of desire, the frustrating endeavour of the androgynous Plato wishing to embrace the other half of Zeus, who in his wrath, tore off from him. Otherness compels human beings to search for the complement from which they were severed. Thus a male joins a female, his other half, the only half that not only fills him but which allows him to return to the unity and reconciliation which is restored in its own perfection, formerly altered by divine will. As a result of this transformation, one can annul the distance that keeps us away from that which, not being our own, turns into a source of anguish. The clashing diversity of all things requires the human predisposition to accept that which is different. Such a predisposition is an expression of epistemological, ethical and political aperture. The disposition to co-exist with the different is imagined in the de-anthropocentricization of the bonds with all living realms. And otherness is, in some way, the reflection of sameness (mismidad). The other is closely related to the self, because the vision of the other implies a reflection about the self; it implies, consciously or not, a relationship with the self. These topics are addressed in this book from an interdisciplinary perspective, encompassing arts, humanities and social sciences.

A happily married woman's perfect life shatters when her husband turns up dead hundreds of miles away from where he should have been, and she suddenly discovers that there was a part of him she knew nothing about. Alice Dupont's perfect marriage was a perfect lie. When her husband, Chris, dies in a car accident, far from where he should have been, Alice's life falls apart. After the police close the case, she is left with more questions than answers. While learning to cope with her loss and her new identity as a single mother of two, Alice becomes obsessed with unraveling the mystery surrounding her husband's death and decides to start her own investigation. Retracing her husband's last known whereabouts, she soon discovers clues that lead her to a small island near Nantucket. As she insinuates herself into the lives of the island's inhabitants in an effort to discover what they knew about her husband, Alice finds herself increasingly involved in their private lives and comes to a disturbing realization: she has been transformed into a person she no longer recognizes. In seeking an answer to what her husband was doing before he died, Alice discovers not only a side of him she never knew, but sides of her own character she has never explored. Part mystery, part moving family drama, part psychological page-turner, *Alice's Island* is a novel whose vivid characters hold the reader rapt right up until the final page.

A man has been murdered. He is blond, blue-eyed and is wearing a white suit. His surname is White. The murdered man is dark, black-eyed and his suit is black...the same as his surname. And, as if that isn't enough, they look like perfect twins except for the details of eye colour and complexion. Two policemen are in charge of the hottest crime in London. They will cross a sea of intrigue to find out that two gangs in the city have declared war on each other and that more murders are to follow. A bizarre couple is at the epicentre of the mystery: an old man with violet-coloured eyes and a ten-year-old boy, who have the peculiar habit of only talking to each other and never addressing anybody else. Nothing is as it should be. Not everything is black or white.

En el escenario majestuoso de la Ribeira Sacra, Álvaro sufre un accidente que acabará con su vida. Cuando Manuel, su marido, llega a Galicia para reconocer el cadáver, descubre que la investigación sobre el caso se ha cerrado con demasiada rapidez. El rechazo de su poderosa familia política, los Muñiz de Dávila, le impulsa a huir pero le retiene el alegato contra la impunidad que Nogueira, un guardia civil jubilado, esgrime contra la familia de Álvaro, nobles mecidos en sus privilegios, y la sospecha de que ésta no es la primera muerte de su entorno que se ha enmascarado como accidental. Lucas, un sacerdote amigo de la infancia de Álvaro, se une a Manuel y a Nogueira en la reconstrucción de la vida secreta de quien creían conocer bien. La inesperada amistad de estos tres hombres sin ninguna afinidad aparente ayuda a Manuel a navegar entre el amor por quien fue su marido y el tormento de haber vivido de espaldas a la realidad, blindado tras la quimera de su mundo de escritor. Empezará así la búsqueda de la verdad, en un lugar de fuertes creencias y arraigadas costumbres en el que la lógica nunca termina de atar todos los cabos.

La primera novela de Dolores Redondo. En la humilde bahía pesquera de Pasajes, en los años 70, rodeada de muelles de pesca, estibadores, humedad y salazón, se forja una fuerte amistad entre Pakutxa y Celeste, dos niñas de cinco años. Entre juegos, complicidades y travesuras, la desdicha se cruza en su camino y una trágica fatalidad las separa. Celeste, la protagonista de esta historia, sufrirá un trauma que se prolongará durante buena parte de su vida, con consecuencias terribles para ella misma y para cuantos la rodean. Vivirá la soledad de una personalidad etérea mientras una paradójica lucha se desencadena en su interior, en un intento desesperado por hallar respuestas. "Hay mil aspectos sobre los que ya os he hablado en mis novelas y millones que me quedan por contaros, pero el primero con el que tuve que ponerme en paz fue con la muerte, y lo hice en esta novela, la primera que escribí." Ha pasado ya un mes desde que la inspectora de la Policía Foral recuperó a su hijo y pudo detener a Berasategui. Pero a pesar de que tanto la Guardia Civil como el juez Markina dan por muerta a Rosario, Amaia siente que no está libre de peligro, un desasosiego que sólo Jonan comprende. La muerte súbita de una niña en Elizondo resulta sospechosa: el bebé tiene unas marcas rojizas en el rostro que indican que ha habido presión digital, y además, su padre intenta llevarse el cadáver. La bisabuela de la pequeña sostiene que la tragedia es obra de Inguma, el demonio que inmoviliza a los durmientes, se bebe su aliento y les arrebató la vida durante el sueño. Pero serán los análisis forenses del doctor San Martín los que convencen a Amaia Salazar de investigar otras muertes de bebés, que pronto revelarán un rastro inaudito en el valle. Berasategui muere, entonces, inexplicablemente en su celda, lo que despliega una trepidante investigación que llevará a Amaia al auténtico origen de los sucesos que han assolado el valle de Baztán. Y mientras, desde el bosque, una impresionante tormenta llega para sepultar la verdad más demoledora.
