Legado en los huesos (novela gráfica) Editorial Planeta

"Cuando Amaia Salazar tenía doce años estuvo perdida en el bosque durante dieciséis horas. Era de madrugada cuando la encontraron a treinta kilómetros al norte del lugar donde se había despistado de la senda. Desvanecida bajo la intensa lluvia, la ropa ennegrecida y chamuscada como la de una bruja medieval rescatada de una hoguera, y, en contraste, la piel blanca, limpia y helada como si acabase de surgir del hielo." En agosto de 2005, mucho antes de los crímenes que conmocionaron el valle del Baztán, una joven Amaia Salazar de veinticinco años, subinspectora de la Policía Foral, participa en un curso de intercambio para policías de la Europol en la Academia del FBI, en Estados Unidos, que imparte Aloisius Dupree, el jefe de la unidad de investigación. Una de las pruebas consiste en

estudiar un caso real de un asesino en serie a quien llaman "el compositor", que siempre actúa durante grandes desastres naturales atacando a familias enteras y siguiendo una pista en escena casi litúrgica. Amaia se convertirá inesperadamente en parte del equipo de la investigación que les llevará hasta Nueva Orleans, en vísperas del peor huracán de su historia, para intentar adelantarse al asesino... Pero una llamada de su tía Engrasi desde Elizondo despertará en Amaia fantasmas de su infancia, enfrenta de nuevo al miedo y a los recuerdos que la dotan de un extraordinario conocimiento de la cara norte del corazón. Una novela trepidante que emociona y quita el aliento.

A “vivid and devastating” (The New York Times) portrait of an indomitable girl—from Pulitzer Prize-winning journalist Andrea Elliott “From its first indelible pages to its rich and startling conclusion, *Invisible Child* had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths.”—Ayad Akhtar, author of *Homeland Elegies* **ONE OF THE TEN BEST BOOKS OF THE YEAR:** The New York Times • **ONE OF THE BEST BOOKS OF THE YEAR:** The Atlantic, The New York Times Book Review, Time, NPR, Library Journal *Invisible Child*, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani’s childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City’s homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter “to protect those who I love.” When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott’s *Invisible Child* reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. In the late 1970s, as Spain was adrift between the death of Franco and the rebirth of democracy, people were moving from the poor south to the cities of the north in search of a better life. But the work, when there was any, was poorly paid and the housing squalid. Out of this world of limited opportunities a generation of delinquents arose whose prospects were stifled and whose rebellion would be brief and violent... One summer's day in Gerona a bespectacled, sixteen-year-old Ignacio Cañas, known to his few friends as Gafitas, is working in an amusement arcade, when a charismatic teenager walks in with the most beautiful girl Cañas has ever seen. Zarco and Tere take over his pinball

machine and his life. Thirty years on and now a successful criminal defence lawyer, Cañas has tried to put that long, hot summer of drugs, yearning and delinquency behind him. But when Tere appears in his office and asks him to represent El Zarco, who has been in prison all this time, what else can Gafitas do but accept. A powerful novel of love and hate, of loyalty and betrayal, of true integrity and the prison celebrity can become, *Outlaws* confirms Javier Cercas as one of the most thrilling novelists writing anywhere in the world today.

Ha pasado ya un mes desde que la inspectora de la Policía Foral recuperó a su hijo y pudo detener a Berasategui. Pero a pesar de que tanto la Guardia Civil como el juez Markina dan por muerta a Rosario, Amaia siente que no está libre de peligro, un desasosiego que sólo Jonan comprende. La muerte súbita de una niña en Elizondo resulta sospechosa: el bebé tiene unas marcas rojizas en el rostro que indican que ha habido presión digital, y además, su padre intenta llevarse el cadáver. La bisabuela de la pequeña sostiene que la tragedia es obra de Inguma, el demonio que inmoviliza a los durmientes, se bebe su aliento y les arrebató la vida durante el sueño. Pero serán los análisis forenses del doctor San Martín los que convencen a Amaia Salazar de investigar otras muertes de bebés, que pronto revelarán un rastro inaudito en el valle. Berasategui muere, entonces, inexplicablemente en su celda, lo que despliega una trepidante investigación que llevará a Amaia al auténtico origen de los sucesos que han asolado el valle de Baztán. Y mientras, desde el bosque, una impresionante tormenta llega para sepultar la verdad más demoledora.

A man has been murdered. He is blond, blue-eyed and is wearing a white suit. His surname is White. The murdered man is dark, black-eyed and his suit is black...the same as his surname. And, as if that isn't enough, they look like perfect twins except for the details of eye colour and complexion. Two policemen are in charge of the hottest crime in London. They will cross a sea of intrigue to find out that two gangs in the city have declared war on each other and that more murders are to follow. A bizarre couple is at the epicentre of the mystery: an old man with violet-

coloured eyes and a ten-year-old boy, who have the peculiar habit of only talking to each other and never addressing anybody else. Nothing is as it should be. Not everything is black or white.

Un año después de resolver los crímenes que aterrorizaron al pueblo de Baztán, la inspectora Amaia Salazar acude embarazada al juicio contra Jasón Medina, el padrastro de Johana Márquez, acusado de violar, mutilar y asesinar a la joven imitando el modus operandi del basajaun. Pero, tras el suicidio del acusado, el juicio debe cancelarse, y Amaia es reclamada por la policía porque se ha hallado una nota suicida dirigida a la inspectora. La nota contiene un escueto e inquietante mensaje: "Tartalo". Esa sola palabra destapará una trama terrorífica tras la búsqueda de la verdad.

Are you striving for fluency but wondering if something's missing? When learning a language becomes a tool for self-exploration, transformation, and personal growth, there is no goal to reach. The language learning journey changes. You change. What if you started by giving yourself permission to let go of the traditional ideas about language learning that aren't working for you? As language learners, we have been taught how to learn a language in Let go of the idea that learning is linear, and you have to be goal-oriented or pass through stages of achievement as if there was an ending point one can get to. We have been taught languages from a place of separation, as in, "I am a native speaker of one language and all the others are (and will always be) foreign and a "target" to get to. We have resorted only to our intellect to learn grammar and vocabulary and focused mainly on the outer-directed communication skills (speaking, writing...emails!) as a measure of achievement. What if I told you that there is another way? A cyclical way that moves towards depth in a never-ending spiral of understanding. A way that will allow you to express yourself in every language you study as in your own. That will allow you to discover more of yourself and connect with others deeply in any language you learn? A way that involves your entire body, works with your senses and emotions, and dances harmoniously with nature? I am an experienced language teacher and language lover. I know what it's like to study languages

beyond a point of fluency on several occasions, and even to express yourself in "non-native" languages sometimes even better than in her native one. This book is based on linguistic and neuroeducation research, exploring the potential for learning of our brains as part of our bodies, and not as the only organ running the show. But this book is not academic. It has a strong poetic voice that will speak to your heart, rather than to your brain. Are you ready to see how your thread weaves into the fabric of languages? Are you ready to be transformed through them?
