For more information including the introduction, a full list of entries and contributors, a generous selection of sample pages and more, visit the Encyclopedic of 20th Century Architecture website. Focusing on architecture from all regions of the world, this three-volume set profiles the twentieth century's vast chronicle of architectural achievements, both within and well beyond the theoretical confines of modernism. Unlike existing works, this encyclopedia examines the complexities of rapidly changing global conditions that have dispersed modern architectural types, movements, styles, and building practices across traditional geographic and cultural boundaries.

**Billboard** Pelican Publishing

La tercera edad de oro de la ficción televisiva ha favorecido la proliferación de series de gran despliegue técnico y a la vez de narrativas que describen la intimidad y la rutina cotidiana de los protagonistas. Son obras que nos presentan personajes alejados de la heroicidad, representados a menudo dentro del espacio doméstico, que ha pasado a ser un lugar clave para la descripción y evolución de los personajes. Partiendo de la premisa que la ficción televisiva desarrolla una clara función de referencia y legitimación social, creando estereotipos y modelos en los que los espectadores se identifican, este libro analiza veinte de las series contemporáneas más populares, reflexionando sobre el rol paternal y maternal de sus protagonistas. En algunas series se encuentran ejemplos que se alejan de la descripción de la familia patriarcal convencional. Destacamos así la pluralidad de discursos que se están ofreciendo, aunque también observamos que muchas de ellas, a pesar de un envoltorio transgresor, siguen reproduciendo roles que alimentan los valores familiares tradicionales.

RANDOM HOUSE

La crónica definitiva de un territorio inacabable: Hispanoamérica. Hay una región del mundo donde veinte países y más de 400 millones de personas comparten una lengua, una historia, una cultura, preocupaciones y esperanzas. La conocemos mal; conocemos sobre todo sus mitos, sus reflejos, sus lugares comunes; la pensamos tal como era en otros tiempos. Esta región se llama o se podría llamar *Ñamérica* —y este libro quiere contarla y entenderla tal como es ahora. Martín Caparrós lleva

muchos años recorriéndola y la ha mirado por todos sus costados: desde sus grandes ciudades hasta sus pequeños pueblos, de su reguetón a sus economías, de su violencia a sus comidas, de sus gobiernos a su fútbol, de su desigualdad a sus insurrecciones, de sus migrantes a sus libros, de sus mujeres desafiantes a sus políticos corruptos, de sus nuevos ricos a sus siempre pobres, de su historia a sus futuros tan diversos. Con todo eso, *Ñamérica* arma un fresco que nos muestra que *Ñamérica* no es lo que creíamos. Libro mestizo, cruza de palabras, *Ñamérica* es, como antes *El Hambre*, una crónica que piensa, un ensayo que cuenta, un gran relato montado con ese estilo que define a su autor como uno de los narradores decisivos de la lengua. La crítica ha dicho... «*Ñamérica* da título a su nueva obra, una profunda y colosal revisión sobre qué es la América Latina que comparte lengua, cultura, historia y problemas, y en la que se funde todo su repertorio literario.» David Barreira, *El Español* «El conjunto es el resultado de un esfuerzo superheróico por contar y pensar de nuevo —y con nuevas ideas— medio continente.» Jorge Carrión, *La Vanguardia* «Un manjar intelectual y narrativo. Incómodo, visionario...», Melba Escobar, *El Tiempo* (Bogotá) «El autor argentino despliega en *Ñamérica* el retrato coral de un continente marcado por los tópicos literarios, el maniqueísmo histórico y la desigualdad económica.» Andrea Aguilar, *Babelia*, *El País* «Martín Caparrós lo ha vuelto a hacer. En *Ñamérica* entrecruza crónica periodística, ensayo, poesía... Y sale lo que se parece mucho a un hito literario sobre América Latina y sus circunstancias.» Edu Galán, *Zenda* «Un ensayo abrumador y fascinante que persigue glosar un continente y a sus 420 millones de habitantes.» Daniel Arjona, *El Confidencial* «El mejor cronista actual de América Latina: un soberbio entrevistador, un viajero dotado de cultura enciclopédica y de una fina ironía.» Roberto Herrscher, *La Vanguardia* «Caparrós es colosal en esos terrenos resbaladizos donde las cosas dejan de encajar en los moldes correctos.» Leila Guerriero, *Babelia* Sobre *El Hambre* se dijo: «El no-lector de *El Hambre* se está privando de un conocimiento esencial. Daría una mano por haberlo escrito.» Juan José Millás «*El Hambre* de Martín Caparrós es mucho más que un ensayo, mucho más que una novela. Caparrós utiliza la literatura para acompañarnos a un infierno hecho de una realidad a la que a menudo se le presta solo una atención.» Roberto Saviano

By the time the City of Miami was born in 1896, Coconut Grove was already a well-defined community with a variety of interesting residents who liked what they found and were willing to fight to keep it that way. Images of America: Coconut Grove tells their story from the native people who called it home to the Bahamians and sophisticated settlers who together shaped its special character. Despite hurricanes, booms, busts, and those who would change it, Coconut Grove remains uniquely itself.

The story that unfolds in *Memorias del Sanatorio* has its beginnings in the mental vortex that engulfs Arnaldo Morales after the suicide of his father. There is no possible resurrection after that fact, and our main character is hospitalized in a quirky mental sanatorium in Spain, where the sons and daughters of well-to-do in Latin American families, as well as of the Spanish bourgeois, are hospitalized with the hope of some miraculous cure of their mental illness from which they will continue to suffer in the clinic, year after year, in the hallways and the rooms of the Esquerdo. The characters that inhabit these halls of the asylum are markedly interesting in their contorted psychologies, in their delusional systems, in the inventions of the imaginations that lead them somewhere that they do not remotely expect: the end of their shadows past the gray walls, the corridors they follow going nowhere through the center of the despair of their schizophrenias: the end of their delusions that do not provide with a way out. The writer has gotten his material for the novel from his own experience as he walked these corridors, and the streets that appear in the narrative; and of course from the experience of mental illness. One more important aspect of the narrative: The narrator finds himself in the streets of Miami Beach throughout the novel, from where he recollects the thirty years past when the remembrances from the sanatorium took place. The world is going to end, like it happens in the end of every millennium, and a new emperor comes to MB to witness the executions of the insane.

This illustrated guide is unique. Fans of Miami Vice, Scarface, Burn Notice, and 80s Miami movies will appreciate it. The guide will also

---

interest students of Miami history and Art Deco as well as those nostalgic about Miami in the 80s. It explains for the first time that these shows are really a time capsule of long gone Miami scenes. They serve as a record of when Miami was 1980s America on steroids. Burn Notice, an innovative show in its own right, followed Miami Vice's lead. When compared to similar scenes from Vice, recent TV shows reveal the distinctiveness of the 80s. These TV shows also provide a window into today's Miami. The guide shows where views of long gone iconic locations and typical Miami scenes can be found on the DVDs. The value of Miami Vice to South Florida is explained. Personal observations are provided by the author who lived there during the Vice years. All music played on Miami Vice is listed as well as key locations in all Vice, movies, and recent TV episodes.

La novela que cierra «El jinete de bronce», una trilogía que ha cautivado a millones de lectores. Después de sobrevivir a la guerra y al sufrimiento en las heladas llanuras de Europa, Tatiana, Alexander y el pequeño Anthony afrontan con ilusión una nueva etapa en Estados Unidos. Refugiándose en el trabajo y en la mutua comprensión, van en busca de un lugar en el que establecerse para restañar las heridas y liberarse por fin de los tormentosos recuerdos del pasado. Pero en ocasiones el paraíso no está al alcance de la mano, y los giros del camino ocultan dificultades que pondrán a prueba sus más hondas convicciones y harán tambalear un amor que hasta ahora había demostrado ser inquebrantable. En un último esfuerzo, Tatiana y Alexander deberán encontrar el rastro que les llevará a aquel momento prístino en el que se conocieron, a su particular Jardín de Verano. La crítica ha dicho... «Una trilogía que no puedes evitar atesorar en tu corazón. Estos libros han cambiado mi concepto de lo que es la novela romántica.» Autoras en la Sombra

Miami, "the Magic City," really began in 1891 when a widow from Cleveland, Julia Tuttle, moved to South Florida and convinced Standard Oil cofounder Henry Flagler to help her develop the area. Flagler built a railroad to Miami and the tourists began to arrive, entranced by the orange blossoms and fine weather. During World War II, the city grew as the military moved in to build major training centers that brought thousands of new people into the region.Sites include: Cape Florida, Royal Palm Hotel, Halcyon Hotel, Point View, Burlingame Island, Jackson Memorial Hospital, Flagler Street, Scottish Rite Temple, Freedom Tower, Biscayne Boulevard, Riverside, Tamiami Trail, Miami River, Coconut Grove, Vizcaya, El Jardín, Pan Am terminal, Coral Gables, Biltmore Hotel, Douglas Entrance, Miracle Mile, Hialeah Race Course, Opa-Locka, Miami Beach, Collins Canal, Fisher Island, Espanola Way, Deauville Hotel, Normandy Isle and Old City Hall.
