Riding the Rails and Dodging Narcos on the Migrant Trail Hal Leonard

Known for much of the nineteenth century as "the ever-faithful isle," Cuba did not earn its independence from Spain until 1898, long after most American colonies had achieved emancipation from European rule. In this groundbreaking history, David Sartorius explores the relationship between political allegiance and race in nineteenth-century Cuba. Challenging assumptions that loyalty to the Spanish empire was the exclusive province of the white Cuban elite, he examines the free and enslaved people of African descent who actively supported colonialism. By claiming loyalty, many black and mulatto Cubans attained some degree of social mobility, legal freedom, and political inclusion in a world where hierarchy and inequality were the fundamental lineaments of colonial subjectivity. Sartorius explores Cuba's

battlefields, plantations, and meeting halls to consider the goals and limits of loyalty. In the process, he makes a bold call for fresh perspectives on imperial ideologies of race and on the rich political history of the African diaspora.

This book traces the unique and remarkable life of Shony Alex Braun. As a boy of four, he becomes lost in the Transylvanian forest and encounters a group of gypsies who enchant him with their musical instruments. This launches his love and fascination for the violin. He eagerly learns to play the violin, and by age eleven he makes his debut on Radio Bucharest. His dreams of further study are cut short by Nazi oppression and the deportation of him at thirteen and his family to Auschwitz. The violin miraculously saves his life in the death camp of Dachau and then after liberation, the violin brings him back from the brink of death as he recovers from a gunshot wound, blood poisoning, tuberculosis and malnutrition. He meets a charming girl in the recovery hospital and begins a new life with her as his wife in the United States. Shony goes on to become a prolific composer, Hollywood performer, concert soloist and Pulitzer Prize nominee. His faith in God and his courage to

survive will inspire you. Shony's loving concern for others with help you realize there is good in the world.

(Fake Book). The Real Books are the best-selling jazz books of all time. Since the 1970s, musicians have trusted these volumes to get them through every gig, night after night. The problem is that the books were illegally

produced and distributed without any copyrights or royalties paid to the master composers who created these musical canons. Hal Leonard is very proud to present the first legitimate and legal editions of these books ever produced. You won't even notice the difference...the covers look the same, the engravings look the same, the songlist is nearly identical, and the price remains fair even on a musician's salary! But every conscientious musician will appreciate that these books are now produced legally and ethically, benefitting the songwriters that we owe for some of the greatest music ever written! 400 songs, including: Air Mail Special * Birdland * Bye Bye Blackbird * Caravan * Doxy * Fly Me to the Moon (In Other Words) * Georgia * Girl Talk * I Remember You * I Thought About You * In Walked Bud * The Jodi Grind * Just the Way You Are * Killer Joe

Collected here for the first time: a selection of the great writer's journalism, which he considered more important to his legacy than his acclaimed novels. Late in his life, Gabriel García Márquez declared: "I don't want to be remembered for One Hundred Years of Solitude, nor for the Nobel Prize, but rather for the newspaper. I was born a journalist. . . . It's in my blood." Now available for the first time in English, this selection offers a glimpse into the great novelist's career as a reporter. Ranging from the early pieces he wrote while starting out in Colombia to his longer reportage from Paris and Rome and, later on, from Venezuela and Mexico, these fifty journalistic writings amply display the narrative gifts that made his reputation. The Scandal of the Century is a tribute to García Márquez's dedication to the profession he believed

to be "the best in the world."

ONE OF THE BEST BOOKS OF THE YEAR,

The Economist and The Financial Times

“Harrowing” true stories from two years of immersion reporting on the migrant trail from

Chiapas to Arizona—an “honorable successor to enduring works like George Orwell’s *The Road to Wigan Pier*” (New York Times) One day a few years ago, 300 migrants were kidnapped between the remote desert towns of Altar, Mexico, and Sasabe, Arizona. A local priest got 120 released, many with broken ankles and other marks of abuse, but the rest vanished. Óscar Martínez, a young writer from El Salvador, was in Altar soon after the abduction, and his account of the migrant disappearances is only one of the harrowing stories he garnered from two years spent traveling up and down the migrant trail from Central America and across the US border. More than a quarter of a million Central Americans make this increasingly dangerous journey each year, and each year as many as 20,000 of them are kidnapped. Martínez writes in powerful, unforgettable prose about clinging to the tops of freight trains; finding respite, work and hardship in shelters and brothels; and riding shotgun with the border patrol. Illustrated with stunning full-

color photographs, *The Beast* is the first book to shed light on the harsh new reality of the migrant trail in the age of the narcotraficantes.
