No Ordinary Time Anchor

"We will have to want Peace, want it enough to pay for it, before it becomes and accepted rule." With these words, Mrs. Roosevelt concludes her appeal for peace on earth, good will to men. During the past year, World Peace has seemed more difficult of achievement than ever before, despite the efforts of Leagues and Courts. This discouraging situation has inspired Mrs. Roosevelt, whose life is bound by special ties to the whole fabric of our country's welfare, to express her own sincere beliefs on the subject. She has analysed many peace plans and, as a result of her studies, presents her own suggestions as to how permanent peace can be brought about. This is a thoughtful book, written by a woman who realises that it is easier to keep out of situations which lead to war than it is to bring about peace once war is going on. If we can dispassionately go over the difficulties which arise between conflicting interests within our own borders, we will be in a better position to understand and arbitrate the quarrels which lead to war among other nations.

The Forum and the Tower Longman

Though she came from a wealthy and privileged family, Eleanor Roosevelt grew up in a cheerless household that left her lonely and shy. Years passed before Eleanor began to discover in herself the qualities of intelligence, compassion, and strength that made her a remarkable woman. In Eleanor, two-time Caldecott Medal winner Barbara Cooney paints a meticulously researched, lushly detailed picture of Eleanor's childhood world—but most importantly, she captures the essence of the little girl whose indomitable spirit would make her one of the greatest and most beloved first ladies of all time. "There are many biographies of Eleanor Roosevelt, but this one is special?Cooney is at her artistic best." --Booklist

Without Precedent W. W. Norton & Company

She was born before women had the right to vote yet went on to become one of America's most influential First Ladies. A Gallup poll named her one of the most admired people of the twentieth century and she remains well known as a role model for a life well lived. Roosevelt wrote *You Learn by Living* at the age of seventy-six, just two years before her death. The commonsense ideas and heartfelt ideals presented in this volume are as relevant today as they were five decades ago. Her keys to a fulfilling life? Some of her responses include: learning to learn, the art of maturity, and getting the best out of others.

The Quotable Eleanor Roosevelt Abrams

"Clearly the definitive book of Eleanor Roosevelt quotes. Albion does excellent work weeding out all the apocryphal quotes so often attributed to Eleanor Roosevelt, giving us only the real thing."--Christy Regenhardt, associate editor of *The Eleanor Roosevelt Papers*, Volume 2 "Eleanor Roosevelt remains a compelling and interesting person, and these quotes give her greater voice."--Kenneth Bindas, author of *Remembering the Great Depression in the Rural South* Born in the late 1800s to one of the wealthiest families in New York City, Eleanor Roosevelt seemed destined for a traditional woman's role within a sedate Victorian life. Instead, she married her fifth cousin and was flung into the highest levels of American politics, culminating in Franklin's unprecedented four-term presidency. While previous first ladies refrained from public discussion of their personal views, Eleanor's bold opinions on political, social, and racial issues took many by surprise. She held press conferences and wrote a syndicated column. She spoke at national conventions, granted interviews, and often made appearances on her husband's behalf. Her own influence lasted years beyond his death. She advocated for human rights, worked with the United Nations, and supported what later became the civil rights movement. The fascinating quotes in this collection are the words of an articulate, honest, and thoughtful woman. Of war, she said, "I hope the day will come when all that inventing and mechanical genius will be used for other purposes." At a time when racism prevailed, Eleanor said, "We must be proud of every one of our citizens, for regardless of nationality, or race, every one contributes to the welfare and culture of the nation." Organized by topic--government, money, art, education, class, relationships, emotions--these quotations reveal the personal thoughts Roosevelt shared in letters and conversations alongside the strong opinions she expressed in speeches and interviews, giving evidence to her character and her beliefs. Her words continue to resonate today. Grandm è re Penguin

Presents a breakthrough portrait of America's longest-serving first lady that covers her major contributions throughout critical historical events and her essential role in advancing international human rights.

Eleanor Roosevelt's in My Garage! Penguin

In this groundbreaking new account of their marriage, Rowley describes the remarkable courage and lack of convention--private and public--that kept Franklin and Eleanor Roosevelt together.

The Quotable Eleanor Roosevelt Harper Collins

One of the New York Times's 100 Notable Books of 2016 One of NPR's 10 Best Books of 2016

"Heartachingly relevant...the Eleanor Roosevelt who inhabits these meticulously crafted pages transcends both first-lady history and the marriage around which Roosevelt scholarship has traditionally pivoted." -- *The Wall Street Journal* The final volume in the definitive biography of America's greatest first lady.

" Monumental and inspirational...Cook skillfully narrates the epic history of the war years... [a] grand biography. " -- *The New York Times Book Review* Historians, politicians, critics, and readers everywhere have praised Blanche Wiesen Cook's biography of Eleanor Roosevelt as the essential portrait of a woman who towers over the twentieth century. The third and final volume takes us through World War II, FDR's death, the founding of the UN, and Eleanor Roosevelt's death in 1962. It follows the arc of war and the evolution of a marriage, as the first lady realized the cost of maintaining her principles even as the country and her husband were not prepared to adopt them. Eleanor Roosevelt continued to struggle for her core issues—economic security, New Deal reforms, racial equality, and rescue—when they were sidelined by FDR while he marshaled the country through war. The chasm between Eleanor and Franklin grew, and the strains on their relationship were as political as they were personal. She also had to negotiate the fractures in the close circle of influential women around her at Val-Kill, but through it she gained confidence in her own vision, even when forced to amend her agenda when her beliefs clashed with government policies on such issues as neutrality, refugees, and eventually the threat of communism. These years—the war years—made Eleanor Roosevelt the woman she became: leader, visionary, guiding light. FDR's death in 1945 changed her world,

but she was far from finished, returning to the spotlight as a crucial player in the founding of the United Nations. This is a sympathetic but unblinking portrait of a marriage and of a woman whose passion and commitment has inspired generations of Americans to seek a decent future for all people. Modest and self-deprecating, a moral force in a turbulent world, Eleanor Roosevelt was unique.

The Eleanor Roosevelt Encyclopedia Vintage

The #1 New York Times Bestseller—Winner of the Pulitzer Prize and National Book Award In his extraordinary biography of the major political couple of the twentieth century, Joseph P. Lash reconstructs from Eleanor Roosevelt's personal papers her early life and four-decade marriage to the four-time president who brought America back from the Great Depression and helped to win World War II. The result is an intimate look at the vibrant private and public worlds of two incomparable people.

Eleanor Roosevelt, Volume 2 Penguin

Olivia Saves The Circus Harper Perennial

A warm, intimate account of the love between Eleanor Roosevelt and reporter Lorena Hickok—a relationship that, over more than three decades, transformed both women's lives and empowered them to play significant roles in one of the most tumultuous periods in American history In 1932, as her husband assumed the presidency, Eleanor Roosevelt entered the claustrophobic, duty-bound existence of the First Lady with dread. By that time, she had put her deep disappointment in her marriage behind her and developed an independent life—now threatened by the public role she would be forced to play. A lifeline came to her in the form of a feisty campaign reporter for the Associated Press: Lorena Hickok. Over the next thirty years, until Eleanor's death, the two women carried on an extraordinary relationship: They were, at different points, lovers, confidantes, professional advisors, and caring friends. They couldn't have been more different. Eleanor had been raised in one of the nation's most powerful political families and was introduced to society as a debutante before marrying her distant cousin, Franklin. Hick, as she was known, had grown up poor in rural South Dakota and worked as a servant girl after she escaped an abusive home, eventually becoming one of the most respected reporters at the AP. Her admiration drew the buttoned-up Eleanor out of her shell, and the two quickly fell in love. For the next thirteen years, Hick had her own room at the White House, next door to the First Lady. These fiercely compassionate women inspired each other to right the wrongs of the turbulent era in which they lived. During the Depression, Hick reported from the nation's poorest areas for the WPA, and Eleanor used these reports to lobby her husband for New Deal programs. Hick encouraged Eleanor to turn their frequent letters into her popular and long-lasting syndicated column "My Day," and to befriend the female journalists who became her champions. When Eleanor's tenure as First Lady ended with FDR's death, Hick pushed her to continue to use her popularity for good—advice Eleanor took by leading the UN's postwar Human Rights Commission. At every turn, the bond these women shared was grounded in their determination to better their troubled world. Deeply researched and told with great warmth, Eleanor and Hick is a vivid portrait of love and a revealing look at how an unlikely romance influenced some of the most consequential years in American history.

The Roosevelt Women Grand Central Publishing

NATIONAL BOOK AWARD NOMINEE • The riveting history of how Pauli Murray—a brilliant writer-turned-activist—and First Lady Eleanor Roosevelt forged an enduring friendship that helped to alter the course of race and racism in America. " A definitive biography of Murray, a trailblazing legal scholar and a tremendous influence on Mrs. Roosevelt. " —*Essence* In 1938, the twenty-eight-year-old Pauli Murray wrote a letter to the President and First Lady, Franklin and Eleanor Roosevelt, protesting racial segregation in the South. Eleanor wrote back. So began a friendship that would last for a quarter of a century, as Pauli became a lawyer, principal strategist in the fight to protect Title VII of the 1964 Civil Rights Act and a co-founder of the National Organization of Women, and Eleanor became a diplomat and first chair of the United Nations Commission on Human Rights.

You Learn by Living OUP USA

A Richmond Times-Dispatch Best Book of the Year When Theodore Roosevelt became president in 1901, his beautiful and flamboyant daughter was transformed into " Princess Alice, " arguably the century's first global celebrity. Thirty-two years later, Alice's first cousin Eleanor moved into the White House as First Lady. The two women had been born eight months and twenty blocks apart in New York City, spent much of their childhoods together, and were far more alike than most historians acknowledge. But their politics and personalities couldn't have been more distinct. Democratic icon Eleanor was committed to social justice and hated the limelight; Republican Alice was an opponent of big government who gained notoriety for her cutting remarks. The cousins liked to play up their rivalry—in the 1930s they even wrote opposing syndicated newspaper columns and embarked on competing nationwide speaking tours. When the family business is politics, winning trumps everything. Lively, intimate, and stylishly written, *Hissing Cousins* is a double biography of two extraordinary women whose entwined lives give us a sweeping look at the twentieth century in America.

Eleanor Roosevelt, Volume 3 Black Dog & Leventhal

"Eleanor Roosevelt once asked, 'Where do human rights begin? In small places, close to home, so close and so small that they cannot be seen on any maps of the world. Such are the places where every man, woman, and child seeks equal justice, equal opportunity, equal dignity without discrimination.' As the Chair of the United Nations commission drafting the Universal Declaration of Human Rights, Eleanor Roosevelt worked tirelessly from 1946 to 1948.... Through Volume 1 of the Eleanor Roosevelt Papers, we honor her work, her legacy, her timeless values and ideals, and her commitment to imagining a better future for all people. As you read through this volume, I hope her words will be a call to action."--from the foreword by Hillary Rodham Clinton Eleanor Roosevelt walked out of the White House more than the president's widow. As a nationally syndicated columnist, popular lecturer, author, party leader, and social activist, Roosevelt assured her friends that "my voice will not

be silent." Vowing not to be a "workless worker in a world of work," Roosevelt dedicated her unstinting energy to "winning the peace." The 410 documents in *The Eleanor Roosevelt Papers, Volume 1: The Human Rights Years, 1945-1948*, collected from 263 archives in 50 states and 9 nations, chronicle not only Roosevelt's impact on American politics and the United Nations, but also the serious treatment she received from those in power. They disclose the inner workings of Truman's first administration, the United Nations, and the major social and political movements of the postwar world. They also reveal the intense struggles Roosevelt's correspondents and advisors had confronting a war-scarred world, the conflicting advice they gave her, and the material Roosevelt reviewed and the people she consulted while determining her own course of action. Using a wide variety of material--letters, speeches, columns, debates, committee transcripts, telegrams, and diary entries--this first of five volumes presents a representative selection of the actions Eleanor Roosevelt took to define, implement, and promote human rights and the impact her work had at home and abroad. Readers may disagree over various decisions she made, language that she used, or the priorities she established. Yet her influence is unquestioned.

[The Eleanor Roosevelt Papers: The human rights years, 1949-1952](#) Viking Adult

A candid and insightful look at an era and a life through the eyes of one of the most remarkable Americans of the twentieth century, First Lady and humanitarian Eleanor Roosevelt. The daughter of one of New York's most influential families, niece of Theodore Roosevelt, and wife of President Franklin Delano Roosevelt, Eleanor Roosevelt witnessed some of the most remarkable decades in modern history, as America transitioned from the Gilded Age, the Progressive Era, and the Depression to World War II and the Cold War. A champion of the downtrodden, Eleanor drew on her experience and used her role as First Lady to help those in need. Intimately involved in her husband's political life, from the governorship of New York to the White House, Eleanor would eventually become a powerful force of her own, heading women's organizations and youth movements, and battling for consumer rights, civil rights, and improved housing. In the years after FDR's death, this inspiring, controversial, and outspoken leader would become a U.N. Delegate, chairman of the Commission on Human Rights, a newspaper columnist, Democratic party activist, world-traveler, and diplomat devoted to the ideas of liberty and human rights. This single volume biography brings her into focus through her own words, illuminating the vanished world she grew up, her life with her political husband, and the post-war years when she worked to broaden cooperation and understanding at home and abroad. The *Autobiography of Eleanor Roosevelt* includes 16 pages of black-and-white photos.

[If You Ask Me](#) Simon and Schuster

Here is the first biography to show Eleanor Roosevelt both as a shrewd political animal and the complex and often tragic woman that she was. In this first volume of her study, Cook portrays Roosevelt's harrowing childhood, describes the hopes kindled by her marriage to Franklin, and reveals her significance as the conscience behind FDR's many programs. 16 page of photos.

[It's Up to the Women](#) Schwartz & Wade

Eleanor Roosevelt, Fighter for Justice shows young readers how the former First Lady evolved from a poor little rich girl to a protector and advocate for those without a voice. Though now seen as a cultural icon, she was a woman deeply insecure about her looks and her role in the world. But by recognizing her fears and constantly striving to overcome her prejudices, she used her proximity to presidents and her own power to aid in the fight for Civil Rights and other important causes. This biography gives readers a fresh perspective on her extraordinary life. It includes a timeline, biography, index, and many historic photographs.
