It's Up to the Women Vintage

A collection of quotes by Eleanor Roosevelt.

The Eleanor Roosevelt Encyclopedia Penguin

Experience the timeless wit and wisdom of Eleanor Roosevelt in this annotated collection of candid advice columns that she wrote for more than twenty years. In 1941, Eleanor Roosevelt embarked on a new career as an advice columnist. She had already transformed the role of first lady with her regular press conferences, her activism on behalf of women, minorities, and youth, her lecture tours, and her syndicated newspaper column. When *Ladies Home Journal* offered her an advice column, she embraced it as yet another way for her to connect with the public. "If You Ask Me" quickly became a lifeline for Americans of all ages. Over the twenty years that Eleanor wrote her advice column, no question was too trivial and no topic was out of bounds. Practical, warm-hearted, and often witty, Eleanor's answers were so forthright her editors included a disclaimer that her views were not necessarily those of the magazines or the Roosevelt administration. Asked, for example, if she had any Republican friends, she replied, "I hope so." Queried about whether or when she would retire, she said, "I never plan ahead." As for the suggestion that federal or state governments build public bomb shelters, she considered the idea "nonsense." Covering a wide variety of topics—everything from war, peace, and politics to love, marriage, religion, and popular culture—these columns reveal Eleanor Roosevelt's warmth, humanity, and timeless relevance.

Eleanor Harper Collins

A candid and insightful look at an era and a life through the eyes of one of the most remarkable Americans of the twentieth century, First Lady and humanitarian Eleanor Roosevelt. The daughter of one of New York's most influential families, niece of Theodore Roosevelt, and wife of President Franklin Delano Roosevelt, Eleanor Roosevelt witnessed some of the most remarkable decades in modern history, as America transitioned from the Gilded Age, the Progressive Era, and the Depression to World War II and the Cold War. A champion of the downtrodden, Eleanor drew on her experience and used her role as First Lady to help those in need. Intimately involved in her husband's political life, from the governorship of New York to the White House, Eleanor would eventually become a powerful force of her own, heading women's organizations and youth movements, and battling for consumer rights, civil rights, and improved housing. In the years after FDR's death, this inspiring, controversial, and outspoken leader would become a U.N. Delegate, chairman of the Commission on Human Rights, a newspaper columnist, Democratic party activist, world-traveler, and diplomat devoted to the ideas of liberty and human rights. This single volume biography brings her into focus through her own words, illuminating the vanished world she grew up, her life with her political husband, and the post-war years when she worked to broaden cooperation and understanding at home and abroad. The *Autobiography of Eleanor Roosevelt* includes 16 pages of black-and-white photos.

Eleanor Roosevelt, Volume 1 Praeger

"We will have to want Peace, want it enough to pay for it, before it becomes and accepted rule." With these words, Mrs. Roosevelt concludes her appeal for peace on earth, good will to men. During the past year, World Peace has seemed more difficult of achievement than ever before, despite the efforts of Leagues and Courts. This discouraging situation has inspired Mrs. Roosevelt, whose life is bound by special ties to the whole fabric of our country's welfare, to express her own sincere beliefs on the subject. She has analysed many peace plans and, as a result of her studies, presents her own suggestions as to how permanent peace can be brought about. This is a thoughtful book, written by a woman who realises that it is easier to keep out of situations which lead to war than it is to bring about peace once war is going on. If we can dispassionately go over the difficulties which arise between conflicting interests within our own borders, we will be in a better position to understand and arbitrate the quarrels which lead to war among other nations.

The Quotable Eleanor Roosevelt Black Dog & Leventhal

"Clearly the definitive book of Eleanor Roosevelt quotes. Albion does excellent work weeding out all the apocryphal quotes so often attributed to Eleanor Roosevelt, giving us only the real thing."--Christy Regenhardt, associate editor of *The Eleanor Roosevelt Papers*, Volume 2 "Eleanor Roosevelt remains a compelling and interesting person, and these quotes give her greater voice."--Kenneth Bindas, author of *Remembering the Great Depression in the Rural South* Born in the late 1800s to one of the wealthiest families in New York City, Eleanor Roosevelt seemed destined for a traditional woman's role within a sedate Victorian life. Instead, she married her fifth cousin and was flung into the highest levels of American politics, culminating in Franklin's unprecedented four-term presidency. While previous first ladies refrained from public discussion of their personal views, Eleanor's bold opinions on political, social, and racial issues took many by surprise. She held press conferences and wrote a syndicated column. She spoke at national conventions, granted interviews, and often made appearances on her husband's behalf. Her own influence lasted years beyond his death. She advocated for human rights, worked with the United Nations, and supported what later became the civil rights movement. The fascinating quotes in this collection are the words of an articulate, honest, and thoughtful woman. Of war, she said, "I hope the day will come when all that inventing and mechanical genius will be used for other purposes." At a time when racism prevailed, Eleanor said, "We must be proud of every one of our citizens, for regardless of nationality, or race, every one contributes to the welfare and culture of the nation." Organized by topic--government, money, art, education, class, relationships, emotions--these quotations reveal the personal thoughts Roosevelt shared in letters and conversations alongside the strong opinions she expressed in speeches and interviews, giving evidence to her character and her beliefs. Her words continue to resonate today.

Franklin and Eleanor Westminster John Knox Press

Until her death when he was 20, David B. Roosevelt enjoyed a close relationship with his grandmother Eleanor Roosevelt. Now David shares personal family stories and photographs that show Eleanor as she really was.

Simon and Schuster

A *Richmond Times-Dispatch* Best Book of the Year When Theodore Roosevelt became president in 1901, his beautiful and flamboyant daughter was transformed into "Princess Alice," arguably the century's first global celebrity. Thirty-two years later, Alice's first cousin Eleanor moved into the White House as First Lady. The two women had been born eight months and twenty blocks apart in New York City, spent much of their childhoods together, and were far more alike than most historians acknowledge. But their politics and personalities couldn't have been more distinct. Democratic icon Eleanor was committed to social justice and hated the limelight; Republican Alice was an opponent of big government who gained notoriety for her cutting remarks. The cousins liked to play up their rivalry—in the 1930s they even wrote opposing syndicated newspaper columns and embarked on competing nationwide speaking tours. When the family business is politics, winning trumps everything. Lively, intimate, and stylishly written, *Hissing Cousins* is a double biography of two extraordinary women whose entwined lives give us a sweeping look at the twentieth century in America.

The Autobiography of Eleanor Roosevelt Basic Books

The central volume in the definitive biography of America's most important First Lady. "Engrossing" (*Boston Globe*). The captivating second volume of this Eleanor Roosevelt biography covers tumultuous era of the Great Depression, the New Deal, and the gathering storms of World War II, the years of the Roosevelts' greatest challenges and finest achievements. In her remarkably engaging narrative, Cook gives us the complete Eleanor Roosevelt—an adventurous, romantic woman, a devoted wife and mother, and a visionary policymaker and social activist who often took unpopular stands, counter to her husband's policies, especially on issues such as racial justice and women's rights. A biography of scholarship and daring, it is a book for all readers of American history.

Eleanor Roosevelt OUP USA

NATIONAL BOOK AWARD NOMINEE • The riveting history of how Pauli Murray—a brilliant writer-turned-activist—and First Lady Eleanor Roosevelt forged an enduring friendship that helped to alter the course of race and racism in America. "A definitive biography of Murray, a trailblazing legal scholar and a tremendous influence on Mrs. Roosevelt." —*Essence* In 1938, the twenty-eight-year-old Pauli Murray wrote a letter to the President and First Lady, Franklin and Eleanor Roosevelt, protesting racial segregation in the South. Eleanor wrote back. So began a friendship that would last for a quarter of a century, as Pauli became a lawyer, principal strategist in the fight to protect Title VII of the 1964 Civil Rights Act and a co-founder of the National Organization of Women, and Eleanor became a diplomat and first chair of the United Nations Commission on Human Rights.

Eleanor Roosevelt, Fighter for Justice New York : F.A. Stokes Company

The relationship between politics and the academy has been fraught with tension and regret - and the occasional brilliant success - since Plato himself. This book examines thinkers who have collaborated with leaders, from ancient Syracuse to the modern White House, in a series of brisk portraits that explore the meeting of theory and reality.

The Eleanor Roosevelt Papers: The human rights years, 1949-1952 Simon and Schuster

"Eleanor Roosevelt once asked, 'Where do human rights begin? In small places, close to home, so close and so small that they cannot be seen on any maps of the world. Such are the places where every man, woman, and child seeks equal justice, equal opportunity, equal dignity without discrimination.' As the Chair of the United Nations commission drafting the Universal Declaration of Human Rights, Eleanor Roosevelt worked tirelessly from 1946 to 1948.... Through Volume 1 of the Eleanor Roosevelt Papers, we honor her work, her legacy, her timeless values and ideals, and her commitment to imagining a better future for all people. As you read through this volume, I hope her words will be a call to action."--from the foreword by Hillary Rodham Clinton Eleanor Roosevelt walked out of the White House more than the president's widow. As a nationally syndicated columnist, popular lecturer, author, party leader, and social activist, Roosevelt assured her friends that "my voice will not be silent." Vowing not to be a "workless worker

in a world of work," Roosevelt dedicated her unstinting energy to "winning the peace." The 410 documents in *The Eleanor Roosevelt Papers, Volume 1: The Human Rights Years, 1945-1948*, collected from 263 archives in 50 states and 9 nations, chronicle not only Roosevelt's impact on American politics and the United Nations, but also the serious treatment she received from those in power. They disclose the inner workings of Truman's first administration, the United Nations, and the major social and political movements of the postwar world. They also reveal the intense struggles Roosevelt's correspondents and advisors had confronting a war-scarred world, the conflicting advice they gave her, and the material Roosevelt reviewed and the people she consulted while determining her own course of action. Using a wide variety of material--letters, speeches, columns, debates, committee transcripts, telegrams, and diary entries--this first of five volumes presents a representative selection of the actions Eleanor Roosevelt took to define, implement, and promote human rights and the impact her work had at home and abroad. Readers may disagree over various decisions she made, language that she used, or the priorities she established. Yet her influence is unquestioned.

My Day Penguin

Illuminates Eleanor Roosevelt's multifaceted life, career, and relationships.

The Forum and the Tower Eleanor Roosevelt, Volume 2

The Roosevelt name conjures up images of powerful Presidents and dashing men of high society. But few people know much about the extraordinary network of women that held the Roosevelt clan together through war, scandal, and disease. In *The Roosevelt Women*, Betty Boyd Caroli weaves together stories culled from a rich store of letters, memoirs, and interviews to chronicle nine extraordinary Roosevelt women across a century and a half of turbulent history. She examines the Roosevelt women as mothers, daughters, wives, and, beyond that, as world travelers, authors, campaigners, and socialites—in short, as themselves. She reveals how they demonstrated the energy and intellectual curiosity that defined their famous family, as well as the roles they played in the intrigues, scandals, and accomplishments that were hallmarks of the Roosevelt clan. From the much maligned Sara Delano (who sired Franklin and by turns terrified and supported Eleanor) to Theodore's irrepressible daughter, Alice ("I can either rule the country or control Alice," Teddy once said) to the beloved Bamie, who was the only mother Alice ever knew, and the model of everything she never was in life, to the exceptionally beautiful but ultimately overwhelmed Mittie, Theodore's mother, *The Roosevelt Women* is an intricate portrait of bold and talented women, a grand tale of both unbearable tragedies and triumphant achievements.

This Troubled World Anchor

This illustrated, first of its kind collection of excerpts from Eleanor Roosevelt's newspaper columns, radio talks, speeches, and correspondence speaks directly to the challenges we face today. Acclaimed for her roles in politics and diplomacy, first lady Eleanor Roosevelt was also a prolific author, journalist, lecturer, broadcaster, educator, and public personality. Using excerpts from her books, columns, articles, press conferences, speeches, radio talks, and correspondence, *Eleanor Roosevelt: In Her Words* tracks her contributions from the 1920s, when she entered journalism and public life; through the White House years, when she campaigned for racial justice, the labor movement, and "the forgotten woman;" to the postwar era, when she served at the United Nations and shaped the Universal Declaration of Human Rights. Selections touch on Roosevelt's early entries in women's magazines ("Ten Rules for Success in Marriage"), her insights on women in politics ("Women Must Learn to Play the Game As Men Do"), her commentary on World War II ("What We Are Fighting For"), her work for civil rights ("The Four Equalities"), her clash with Soviet delegates at the UN ("These Same Old Stale Charges"), and her advice literature ("If You Ask Me"). Surprises include her unique preparation for leadership, the skill with which she defied critics and grasped authority, her competitive stance as a professional, and the force of her political messages to modern readers. Scorning the "America First" mindset, Eleanor Roosevelt underlined the interdependence of people and of nations. *Eleanor Roosevelt: In Her Words* illuminates her achievement as a champion of civil rights, human rights, and democratic ideals.

Eleanor and Hick Viking Adult

"I think Eleanor Roosevelt has so gripped the imagination of this moment because we need her and her vision so completely. . . . She's perfect for us as we enter the twenty-first century. Eleanor Roosevelt is a loud and profound voice for people who want to change the world." -- Blanche Wiesen Cook Named "Woman of the Century" in a survey conducted by the National Women's Hall of Fame, Eleanor Roosevelt wrote her hugely popular syndicated column "My Day" for over a quarter of that century, from 1936 to 1962. This collection brings together for the first time in a single volume the most memorable of those columns, written with singular wit, elegance, compassion, and insight -- everything from her personal perspectives on the New Deal and World War II to the painstaking diplomacy required of her as chair of the United Nations Committee on Human Rights after the war to the joys of gardening at her beloved Hyde Park home. To quote Arthur Schlesinger, Jr., "What a remarkable woman she was! These sprightly and touching selections from Eleanor Roosevelt's famous column evoke an extraordinary personality." "My Day reminds us how great a woman she was." --Atlanta Journal-Constitution

Eleanor Roosevelt, Volume 2 Harper Perennial

Presents a breakthrough portrait of America's longest-serving first lady that covers her major contributions throughout critical historical events and her essential role in advancing international human rights.
