When preparing for a licensure exam, most students would be happy with just passing and getting that engineer title. However, there are a few who would put everything at stake and give everything they

have to reach their goal to become a topnotcher. GineersNow had an exclusive interview with Engr. Clarence Co from De La Salle University, Philippines. At the age of 21, through a special program ...

Dealing with electrical energy is a big responsibility, which is why the Professional

Regulation Commission (PRC) requires a board exam for electrical engineers!

Specifically known as the Registered Electrical Engineer Licensure Examination, this board exam is administered alongside the Master Electrician Examination by PRC's Board of Electrical Engineering.
