simple with the latest publication
of this widely popular resource.
Like its highly successful previous
editions, the National Electrical
Code 2011 spiral bound version
combines solid, thorough,
research-based content with the
tools you need to build an in-
depth understanding of the most
important topics. New to the 2011
edition are articles including first-
time Article 399 on Outdoor,
Overhead Conductors with over
600 volts, first-time Article 694 on

Small Wind Electric Systems, first-
time Article 840 on Premises
Powered Broadband
Communications Systems, and
more. This spiralbound version
allows users to open the code to a
certain page and easily keep the
book open while referencing that
page. The National Electrical Code
is adopted in all 50 states, and is an
essential reference for those in or
entering careers in electrical design,
installation, inspection, and safety.

The New Fast Food Penguin

This is not your regular cookbook. Food styling has become a skill many want to master, but don't know how. Popular food blogger and maverick baker Shivesh Bhatia is here to help. Twenty-two-year-old Shivesh enjoys a massive following on his blog and Instagram. Brands love him and so do people. In *Bake with Shivesh*, the ace baker reveals foolproof tips on food styling that can be easily followed at home, in your kitchen, with tools you already own. He also talks about his favourite styling techniques, and what works or doesn't on different social media platforms. This is a book for everyone looking to elevate the way they present food, to help boost their blogs and businesses, and to make food look as good as it tastes.

Create a healthier and

happier life by treating yourself with compassion rather than shame. Imagine a graph with two lines. One indicates happiness, the other tracks how you feel about your body. If you're like millions of people, the lines do not intersect. But what if they did? This practical, inspirational, and visually lively book shows you the way to a sense of well-being attained by understanding how to love, connect, and care for yourself—and that includes your mind as well as your body. *Body Kindness* is based on four principles. **WHAT YOU DO:** the choices you make about food, exercise, sleep, and more **HOW YOU FEEL:** befriending your emotions and standing up to the unhelpful voice in your head **WHO YOU ARE:** goal-

setting based on your personal values WHERE YOU BELONG: body-loving support from people and communities that help you create a meaningful life With mind and body exercises to keep your energy spiraling up and prompts to help you identify what YOU really want and care about, Body Kindness helps you let go of things you can't control and embrace the things you can by finding the workable, daily steps that fit you best. It's the anti-diet book that leads to a more joyful and meaningful life.
