The Earth on the brink of destruction. A New World of Magic and Danger! Can Phil stay alive long enough to enjoy his escape from destruction? The world is ending. Yet in the midst of its destruction, there's Haven, an escape from the pending doom. Unfortunately, this doesn't include Phil. After losing his sister, he's miserable and just looking to survive. When he illegally finds a way into Haven, he discovers it's a world that's unlike anything he's seen before. Haven is alluring and constantly changing. But it's also dangerous, and Phil soon realizes there's someone who wants him dead. In exchange for his safety, Phil makes a bargain to retrieve a magical item located somewhere in a deep forgotten forest. But time is running out, and if he doesn't find it in time, his death is guaranteed.

From the brilliant imagination of Kerrelyn Sparks comes a bold new fantasy romance series in which passion and magic collide. Behold the Embraced... As one of the Embraced—one born with magical powers—the beautiful, innocent Luciana escaped certain death after her father hid her away on the Isle of Moon. Now, nineteen years later, her father has returned with a frightening request. He will be executed unless Luciana returns to the mainland and marries a man feared throughout the land: a terrifying brute known as the Beast. Luciana accepts her fate and agrees to wed the Beast—Lord Leo—in order to save her father. Soon she learns that her betrothed is also one of the Embraced. With the ability to wield lightning, Leo's immense power strikes fear into the hearts of men. . .and his mere touch can put an end to a woman's life. But Luciana cannot deny the passion that burns between them. How can she resist the man who scorches her soul and makes her feel intoxicated with desire—even if surrendering to him could destroy them both?

And that hot-as-Hel series with the “Sookie Stackhouse type of vibe” (Paranormal Horizon) is back—but this time the paranormal Midwestern town of Pemkowitz is feeling a frost in the air and the residents are frozen in fear.... The Pemkowitz Visitors Bureau has always promoted paranormal tourism—even if it has downplayed the risks (hobgoblins are unpredictable). It helps that the town is presided over by Daisy Johanssen, who as Hel's liaison is authorized by the Norse goddess of the dead to keep Pemkowitz under control. Normally, that's easier to do in the winter, when bracing temperatures keep folks indoors. But a new predator is on the prowl, and this one thrives on nightmares. Daisy is on her trail and working intimately with her partner and sometime lover from the Pemkowitz PD, sexy yet unavailable werewolf Cody Fairfax. But even as the creature is racking up innocent victims, a greater danger looms on Pemkowitz's horizon. As a result of a recent ghost uprising, an unknown adversary—represented by a hell-spawn lawyer with fiery powers of persuasion—has instigated a lawsuit against the town. If Pemkowitz loses, Hel's sovereignty will be jeopardized, and the fate of the Eldritch community will be at stake. The only one who can prevent it is Daisy—but she's going to have to confront her own worst nightmare to do it.

How do we tell the good from the bad when they look the same? Elemental Witch and Magic Shop owner, Samantha Hawthorne, faces her future with the knowledge she was raised, taught, and groomed by the very evil responsible for the disappearance of her mother. Threads of Arcane Magic linger alongside the guilt Samantha endures for killing an innocent in her failed pursuit for revenge. Now Clerics, the Witch's Judiciary Branch, appear and request her aid in proving the self-appointed Witch Queen of New Orleans possesses the rumored Malleus Maleficarum, The Witch's Hammer. They believe her command of the book's Arcane power is responsible for the death of three Witch Elders. But something else is rising in the city as reports of ghost sightings and evil shadows increase. Faced with a lingering fear her own use of Arcane Magic has tainted her in some way, mounting pressure with the threat of a warlock from the Clerics, and suspicion that the evil that escaped her is still influencing her decisions, Samantha calls upon her friends to weave their unique magic together to stop the rampage of Elemental Shadows. Elemental Shadows is the second book in the Eldritch Files series.

WIKIPEDIA says: 'H.P. Lovecraft's reputation has grown tremendously over the decades, and he is now commonly regarded as one of the most important horror writers of the 20th century, exerting an influence that is widespread, though often indirect.' His tales of the tentacled Elder God Cthulhu and his pantheon of alien deities were initially written for the pulp magazines of the 1920s and '30s. These astonishing tales blend elements of horror, science fiction and cosmic terror that are as powerful today as they were when they were first published. THE NECRONOMICON collects together the very best of Lovecraft's tales of terror, including the complete Cthulhu Mythos cycle, just the way they were originally published. It will introduce a whole new generation of readers to Lovecraft's fiction, as well as being a must-buy for those fans who want all his work in a single, definitive volume.

In the enchanting heart of New Orleans, amidst the sultry humidity and the secrets that dance like shadows on the bayou, -- Ugh. Enough of that. Don't know why I thought I needed to make this so flowery. So, it's like this, I'm Janet Harper, Arden Vervain's niece. Who's that? The self-proclaimed Witch Queen of New Orleans and the holder of a vast magical legacy. And for some reason--she made me her heir. Me. An Earth Witch (and Nature) from small town Georgia. I'm not interested in this legacy. What I am interested in is meeting a lot of Witches who might know how to kill The Reaper. Yes. I want to kill Death. Now don't look at me like that. The Reaper killed my best friend when I was twelve and I want her back. Her death was unjust, and her life wasn't his to take. No one believes me because everyone is stressed about this grand gathering of dignitaries from the Southern Parliament, all descending on New Orleans to celebrate...me. Something is leaving lifeless bodies with imprisoned souls in its wake. With every victim, the Reaper's presence grows stronger, and the city's enchantment wanes.

Cassandra Khaw bursts onto the scene with Hammers on Bone, a hard-boiled horror show that Charles Stross calls "possibly the most promising horror debut of 2016." A finalist for the British Fantasy award and the Locus Award for Best Novella! John Persons is a private investigator with a distasteful job from an unlikely client. He's been hired by a ten-year-old to kill the kid's stepdad, McKinsey. The man in question is abusive, abrasive, and abominable. He's also a monster, which makes Persons the perfect thing to hunt him. Over the course of his ancient, arcane existence, he's hunted gods and demons, and broken them in his teeth. As Persons investigates the horrible McKinsey, he realizes that he carries something far darker. He's infected with an alien presence, and he's spreading that monstrosity far and wide. Luckily Persons is no stranger to the occult, being an ancient and magical intelligence himself. The question is whether the private dick can take down the abusive stepdad without releasing the holds on his own horrifying potential.
