**An Immense World** National Council of Teachers

“Elena is one of the brightest stars in our game today and an iconic role model.” —Lisa M. Borders, WNBA President “Inspiring in many ways.” —Kirkus Reviews Elena Delle Donne, 2015 WNBA MVP and 2016 Olympic gold medalist, shares her inspirational story of being a young basketball prodigy who gave up an impressive basketball scholarship for family and self-discovery. Elena Delle Donne has always forged her own path. During her first year of college, she walked away from a scholarship and chance to play for Geno Aurriema at UConn—the most prestigious women’s college basketball

program—so she could stay in her home state of Delaware and be close to her older sister, Lizzie, who has several disabilities and can only communicate through hand-over-hand signing. Burned out and questioning her passion for basketball, she attended the University of Delaware and took up volleyball for a year. Eventually she found her way back to her first love, playing basketball for the Blue Hens, ultimately leading them, a mid-major team, to the Sweet Sixteen. She went on to become the second overall selection during the 2013 WNBA draft and the WNBA’s 2015 MVP. Elena Delle Donne delivers a powerful and motivational story of overcoming the challenges of competitive sports through balancing hard work and the support of a loving family.

**Roar** Open Book Publishers

This open access book features essays written by philosophers, biologists, ecologists and conservation scientists facing the current biodiversity crisis. Despite increasing communication,

---

accelerating policy and management responses, and notwithstanding improving ecosystem assessment and endangered species knowledge, conserving biodiversity continues to be more a concern than an accomplished task. Why is it so? The overexploitation of natural resources by our species is a frequently recognised factor, while the short-term economic interests of governments and stakeholders typically clash with the burdens that implementing conservation actions imply. But this is not the whole story. This book develops a different perspective on the problem by exploring the conceptual challenges and practical defiance posed by conserving biodiversity, namely: on the one hand, the difficulties in defining what biodiversity is and characterizing that "thing" to which the word 'biodiversity' refers to; on the other hand, the reasons why assessing biodiversity and putting in place effective conservation actions is arduous.

society, *Gutter Child* uncovers a nation divided into the privileged Mainland and the policed Gutter. In this world, Elimina Dubois is one of only 100 babies taken from the Gutter and raised in the land of opportunity as part of a social experiment led by the Mainland government. But when her Mainland mother dies, Elimina finds herself all alone, a teenager forced into an unfamiliar life of servitude, unsure of who she is and where she belongs. Elimina is sent to an academy with new rules and expectations where she befriends Gutter children who are making their own way through the Gutter System in whatever ways they know how. When Elimina's life takes another unexpected turn, she will discover that what she needs more than anything may not be the freedom she longs for after all. Richardson's *Gutter Child* reveals one young woman's journey through a fractured world of heartbreaking disadvantages and shocking injustices. Elimina is a modern heroine in an altered but all too recognizable reality who must find the strength within herself to forge her future and defy a system that tries to shape her destiny.

#### King's Cage For Teen

Hard-headed evidence on why the returns from investing in girls are so high that no nation or family can afford not to educate their girls. Gene Sperling, author of the seminal 2004 report published by the Council on Foreign Relations, and Rebecca Winthrop, director of the Center for Universal Education, have written this definitive book on the importance of girls' education. As Malala Yousafzai expresses in her foreword, the idea that any child could be denied an education due to poverty, custom, the law, or terrorist threats is just wrong and unimaginable. More than 1,000 studies have provided evidence that high-quality girls' education around the world leads to wide-ranging returns: Better outcomes in economic areas of growth and incomes Reduced rates of infant and

English Collocation in Use. Per Le Scuole Superiori UNM Press

**NEW YORK TIMES BESTSELLER** • Every kind of animal, including humans, is enclosed within its own unique sensory bubble, perceiving but a tiny sliver of our immense world. Pulitzer Prize – winning science journalist Ed Yong takes us on “ a thrilling tour of nonhuman perception ” (The New York Times), allowing us to experience the skeins of scent, waves of electromagnetism, and pulses of pressure that other animals perceive. “ One of this year ' s finest works of narrative nonfiction . . . Yong ' s reporting is layered, seasoned with vivid scenes from laboratories and in the field, interviews with researchers across a spectrum of disciplines. ” —Oprah Daily “ A dazzling ride through the sensory world of astoundingly sophisticated creatures. ” —The Wall Street Journal The Earth teems with sights and textures, sounds and vibrations, smells and tastes, electric and magnetic fields. In *An Immense World*, Ed Yong coaxes us beyond the confines of our own senses to encounter beetles that are drawn to fires, turtles that can track the Earth ' s magnetic fields, fish that fill rivers with electrical messages, and even humans who wield sonar like bats. We discover that a crocodile ' s scaly face is as sensitive as a lover ' s fingertips, that the eyes of a giant squid evolved to see sparkling whales, that plants thrum with the inaudible songs of courting bugs, and that even simple scallops have complex vision. We learn what bees see in flowers, what songbirds hear in their tunes, and what dogs smell on the street. We listen to stories of pivotal discoveries in the field, while looking ahead at the many mysteries that remain unsolved. Funny, rigorous, and suffused with the joy of discovery, *An Immense World* takes us on what Marcel Proust called “ the only true voyage . . . not to visit strange lands, but

to possess other eyes. ”

Forbes Bloomsbury Publishing USA

In her second compilation of published writing, Brianna Wiest explores pursuing purpose over passion, embracing negative thinking, seeing the wisdom in daily routine, and becoming aware of the cognitive biases that are creating the way you see your life. This book contains never before seen pieces as well as some of Brianna's most popular essays, all of which just might leave you thinking: this idea changed my life.

Onward Psychology Press

**THE INSTANT NEW YORK TIMES BESTSELLER!** Starred reviews from Kirkus Reviews \* Publishers Weekly \* Library Journal Named a “ Must-Read ” by TODAY, Us Weekly, Bustle, BuzzFeed, Goodreads, Entertainment Weekly, Publishers Weekly, Southern Living, Book Riot, Woman ' s Day, The Toronto Star, and more! For two sworn enemies, anything can happen during the Hawaiian trip of a lifetime—maybe even love—in this romantic comedy from the New York Times bestselling authors of *Roomies*. Olive Torres is used to being the unlucky twin: from inexplicable mishaps to a recent layoff, her life seems to be almost comically jinxed. By contrast, her sister Ami is an eternal champion...she even managed to finance her entire wedding by winning a slew of contests. Unfortunately for Olive, the only thing worse than constant bad luck is having to spend the wedding day with the best man (and her nemesis), Ethan Thomas. Olive braces herself for wedding hell, determined to put on a brave face, but when the entire wedding party gets food poisoning, the only people who aren ' t affected are Olive and

---

Ethan. Suddenly there ' s a free honeymoon up for grabs, and Olive will be damned if Ethan gets to enjoy paradise solo. Agreeing to a temporary truce, the pair head for Maui. After all, ten days of bliss is worth having to assume the role of loving newlyweds, right? But the weird thing is...Olive doesn ' t mind playing pretend. In fact, the more she pretends to be the luckiest woman alive, the more it feels like she might be. With Christina Lauren ' s " uniquely hilarious and touching voice " (Entertainment Weekly), *The Unhoneymooners* is a romance for anyone who has ever felt unlucky in love.

*A Vengeful Passion* John Wiley & Sons

The first comprehensive textbook on political psychology, this user-friendly volume explores the psychological origins of political behavior. Using psychological concepts to explain types of political behavior, the authors introduce a broad range of theories and cases of political activity to illustrate the behavior. The book examines many patterns of political behaviors including leadership, group behavior, voting, race, ethnicity, nationalism, political extremism, terrorism, war, and genocide. Text boxes highlight current and historical events to help students see the connection between the world around them and the concepts they are learning. Examples highlight a variety of research methodologies used in the discipline such as experimentation and content analysis. The "Political Being" is used throughout to remind the reader of the psychological theories and concepts to be explored in each chapter. *Introduction to Political Psychology* explores some of the most horrific things people do to one another for political purposes, as well as how to prevent and resolve conflict, and how to recover from it. The goal is to help the reader understand the enormous complexity of human behavior and the significant role political psychology can play in improving the human condition. Designed for upper division courses on political psychology or political behavior, this volume also contains material of interest to those in the policymaking community.

*Trophies* Simon and Schuster

A supplemental textbook for middle and high school students, *Hoosiers and the American Story* provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America ' s westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana ' s stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

101 Essays Seven Stories Press

Some things are easily forgiven. Other things... not so much. Lenny DeMaio made herself a promise: she was done. Done thinking about him. Done worrying about him. Done reaching out to a man who clearly didn't want to be found. Too bad no one gave Jonah Collins the message.

*My Shot* Independently Published

*Green Unpleasant Land* explores the countryside's repressed colonial past and demonstrates its importance as a source of ideas about Englishness. The book presents historical evidence to show that rural England was a place of conflict and global expansion. It also examines four centuries of literary response to explore how race, class and gender have both created and deconstructed

---

England's pastoral mythologies. In particular, the book argues that Black and British Asian writers have challenged narrow, nostalgic views of rural England but also expressed attachment to English landscapes and the natural world.

The Sword of Judith HarperCollins

Raised to rule, despite not having the abilities her ancestors did, Aurora becomes betrothed to a prince who possesses the magic needed to keep the kingdom safe.

Simply Trinity Brookings Institution Press

Celaena has survived deadly contests and shattering heartbreak-but at an unspeakable cost. Now, she must travel to a new land to confront her darkest truth . . . a truth about her heritage that could change her life-and her future-forever. Meanwhile, brutal and monstrous forces are gathering on the horizon, intent on enslaving her world. Will Celaena find the strength to not only fight her inner demons, but to take on the evil that is about to be unleashed? The bestselling series that has captured readers all over the world reaches new heights in this sequel to the New York Times best-selling Crown of Midnight. Packed with heart-pounding action, fierce new characters, and swoon-worthy romance, this third book will enthrall readers from start to finish.

Out of My Mind Simon and Schuster

Maggie is an astonishing novel of social realism, which parallels many of today's ills. Set in the urban squalor of New York in the 1890s, it follows the careers of the innocent Maggie and her brother Jimmie, children of brutal and drunken parents. It is a tour-de-force equal to The Red Badge of Courage.

Brehe's Grammar Anatomy Twelve

What if the Trinity we've been taught is not the Trinity of the Bible? In

this groundbreaking book, Matthew Barrett reveals a shocking discovery: we have manipulated the Trinity, recreating the Father, Son, and Holy Spirit in our own image. With clarity and creativity, Barrett mines the Scriptures as well as the creeds and confessions of the faith to help you rediscover the beauty, simplicity, and majesty of our Triune God. You will be surprised to learn that what you believe about the Trinity has untold consequences for salvation and the Christian life. To truly know God, you must meet the One who is simply Trinity.

Perchance to Dream Springer

If there were such a thing as an "elder" stateswoman in women's gymnastics today, Nadia Comaneci would win that title as readily as she once won gold medals. Olga Korbut came before her, and many other medalists would follow, but none has ever been as dominant in winning the hearts of millions around the world. With grit and determination, Nadia Comaneci ushered in a new era for women's sports, one where young girls could vault into the arena of superstardom. Even today, almost thirty years after her greatest triumphs, you need only mention the name "Nadia" and gymnastics fans know instantly whom you are talking about. In Letters to a Young Gymnast, Nadia shows what it takes to achieve athletic perfection and become the best. With inspiring and dramatic stories from her own experience, she tells us how the young girl that Bela Karolyi discovered in a Romanian elementary school found the inner strength to become a world-class athlete at such a young age. This collection of Nadia's memories, anecdotes, and advice grants unique insights into the mind of a top competitor. From how to live after you've realized your dream, to the necessity of "a spirit forged with mettle," Nadia's thoughts on athleticism and sacrifice are eye-opening and surprisingly challenging.

Hoosiers and the American Story Cambridge University Press

"The Skin of the Sky" details the efforts of a country to join the 21st century and paints the portrait of a lonely man who can find true contentment and satisfaction only in the stars.

---

The Onward Workbook Ernst Klett Sprachen GmbH

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

The Skin of the Sky Abrams

The sequel to the #1 New York Times bestseller *Travel Team!* When you're the smallest kid playing a big man's game, the challenges never stop—especially when your name is Danny Walker. Leading your travel team to the national championship may seem like a dream come true, but for Danny, being at the top just means the competition tries that much harder to knock him off. Now Danny's leaving Middletown for the summer and heading to Right Way basketball camp, where he's out of his element and maybe out of his league. The country's best ballers are in attendance, and Danny will need to raise his game if he wants to match up. But it won't be easy. Old rivals and new battles leave Danny wondering if he really has what it takes to stand tall. "Lupica is at his best when he puts the reader right in the center of the action on the court. His game descriptions are fast, accurate, and exciting. Young sports-fiction fans will eat this up." —Booklist "Sports fans will relish the on-court action, expertly rendered in Lupica's taut prose.

This worthy sequel to *Travel Team* should earn a wide audience."

— School Library Journal "Lupica knows his basketball and knows how to

spin a page-turner of a story. Those who enjoyed the first installment of Danny's story will be thrilled to read a sequel, and even those middle school readers who are not huge sports fans will want to cheer for Danny Walker, who proves that determination can be a whole lot bigger than height."

— VOYA

Maggie, a Child of the Streets Random House

A fortune teller once told Mila she'd find a man who would take her breath away. She refrained from telling her it would be literally while Mila ran for her life. Having always done what is expected of her, Mila dresses the part, only dates college boys with exemplary backgrounds, and doesn't ask questions. Not about her papa's absences or his refusal to let her set foot in her birthplace—Russia. Suffocated by the rules and unanswered questions, Mila does what she's always wanted to. She boards a plane to Moscow. She never expected to fall for a man on the way. One with unexplained wealth, tattoos on his hands, and secrets in his eyes. But it doesn't take long for his caress to become a rough grasp muffling her screams. Revenge is a dish best served cold. Unfortunately, a Russian winter is the coldest of them all, and Mila soon learns the only way to escape intact is to do the impossible and thaw her captor's heart.
