#1 New York Times #1 Wall Street Journal #1 Los Angeles Times #1 Entertainment Weekly #1 Publishers Weekly Stephanie Plum is thinking her career as a fugitive apprehension agent has run its course. She's been shot at, spat at, cussed at, fire-bombed, mooned, and attacked by dogs. Time for a change, Stephanie thinks. Time to find the kind of job her mother can tell her friends about without making the sign of the cross. So Stephanie Plum quits. Resigns. No looking back. No changing her mind. She wants something safe and normal. As it turns out, jobs that are safe and normal for most people aren't necessarily safe and normal for Stephanie Plum. Trouble follows her, and the kind of trouble she had at the bail bonds office can't compare to the kind of trouble she finds herself facing now. Her past has come back to haunt her. She's stalked by a maniac returned from the grave for the sole purpose of putting her into a burial plot of her own. He's killed before, and he'll kill again if given the chance. Caught between staying far away from the bounty hunter business and staying alive, Stephanie reexamines her life and the possibility that being a bounty hunter is the solution rather than the problem. After disturbingly brief careers at the button factory, Kan Klean Dry Cleaners, and Cluck-in-a-Bucket, Stephanie takes an office position in security, working for Ranger, the sexiest, baddest bounty hunter and businessman on two continents. It might not be the job she'll keep for the rest of her life, but for now it gives her the technical access she needs to find her stalker. Tempers and temperatures rise as competition ratchets up between the two men in her life---her on-again, off-again boyfriend, tough Trenton cop Joe Morelli, and her bad-ass boss, Ranger. Can Stephanie Plum take the heat? Can you? Between the

adventure and the adversity there's attitude, and Stephanie Plum's got plenty in her newest misadventure from Janet Evanovich, *Eleven on Top*.

Stir the pot: Lula recruits bounty hunter Stephanie Plum to help her find the killers and collect the moolah. Add a secret ingredient: Stephanie's Grandma Mazur. Enough said. Bring to a boil: Can Stephanie hunt down two killers, a traitor, five skips, keep her grandmother out of the sauce, solve Ranger's problems and not jump his bones? Warning: Janet Evanovich's *Finger Lickin' Fifteen* is habanero hot. So good you'll want seconds.

Speculating about the cultural metaphors in Janet Evanovich's wildly popular mystery series (which includes 11 books, from *One for the Money* to *Eleven on Top*), this anthology takes a look at lingerie-buyer-turned-bounty-hunter Stephanie Plum and catalogs her bad luck with cars (she's blown up quite a few), her good luck with men, her unorthodox approach to weapon storage, and the rich tapestry of her milieu: Trenton, New Jersey, also known as The Burg. The contributors praise the way the series smartly spoofs that familiar chick-lit epiphany—I have a bad job and what I really want is a good man!—in *Bounty Hunting as a Metaphor for Dating*, *Why Stephanie Should Quit Her Job ... but Never Will*, and *Nothing Better than a Bad Boy Gone Good*. Several essays veer from the chick-lit perspective and focus instead on the

Tempting Twenty-Eight Bantam

Plum Spooky, the First Full Length Stephanie Plum Between-the-Numbers Novel from #1 Bestselling Author Janet Evanovich. Turn on all the lights and check under your bed. Things are about to get spooky in Trenton, New Jersey. According to legend, the Jersey Devil prowls the Pine Barrens and soars above the treetops in the dark of night. As eerie as this might seem, there are things in the Barrens that are even more frightening and dangerous. And there are monkeys. Lots of monkeys. Wulf Grimoire is a world wanderer and an opportunist who can kill without remorse and disappear like smoke. He's chosen Martin Munch, boy genius, as his new business partner, and he's chosen the Barrens as his new playground. Munch received his doctorate degree in quantum physics when he was twenty-two. He's now twenty-four, and while his brain is large, his body hasn't made it out of the boys' department at Macy's. Anyone who says good things come in small packages hasn't met Munch. Wulf Grimoire is looking for world domination. Martin Munch would be happy if he could just get a woman naked and tied to a tree. Bounty hunter Stephanie Plum has Munch on her most-wanted list for failure to appear in court. Plum is the all-American girl stuck in an uncomfortable job, succeeding on luck and tenacity. Usually she gets her man. This

time she gets a monkey. She also gets a big guy named Diesel. Diesel pops in and out of Plum's life like birthday cake - delicious to look at and taste, not especially healthy as a steady diet, gone by the end of the week if not sooner. He's an über bounty hunter with special skills when it comes to tracking men and pleasing women. He's after Grimoire, and now he's also after Munch. And if truth were told, he wouldn't mind setting Stephanie Plum in his crosshairs. Diesel and Plum hunt down Munch and Grimoire, following them into the Barrens, surviving cranberry bogs, the Jersey Devil, a hair-raising experience, sand in their underwear, and, of course . . . monkeys.
