In an industry where nothing is real and no one actually wins or loses, the possibilities for manipulation are endless. The nepotism, backward logic, and power plays behind the World Wrestling Entertainment's (WWE) downfall are exposed in this indictment of wrestling's first family. An analysis of the McMahons' poorly written scripts discloses how nepotism and vanity have taken over their creativity, while input from many well-known figures provides details on the complicated and seemingly endless web of manipulation that has led to such questionable behaviors as locker-room hazing and sexual indiscretions. WWE's racist undertones are also discussed, with a firsthand account on how being black affected one wrestler's match with a world champion.

The memoir of a man and woman who escaped into the forest, joined the Jewish partisans—and fell in love—as Hitler laid waste to their Polish hometowns. Jack and Rochelle first met at a youth dance in Poland before the war. They shared one dance, and Jack stepped on Rochelle ' s shoes. She was unimpressed. When the Nazis invaded eastern Poland in 1941, both Jack (in the town of Mir) and Rochelle (in the town of Stolpce) witnessed the horrors of ghettoization, forced labor, and mass killings that decimated their families. Jack and Rochelle managed, in their separate ways, to escape into the forest. They reunited, against all odds, in the winter of 1942 – 43 and became Jewish partisans who fought back against the

Nazis. The couple ' s careful courtship soon blossomed into an enduring love that sustained them through the raging hatred of the Holocaust and the destruction of the lives they had known. Jack and Rochelle ' s story, told in their own voices through extensive interviews with their son, Lawrence, has been in print for twenty years and is celebrated as a classic of Holocaust memoir literature. This is the first electronic edition. “ A story of heroism and of touching romance in a time of fear and danger. ” —USA Today

An expert communicator, Jack McAfghan writes the memoirs of his four-legged life as a mixed-breed Afghan Hound. From obedience and agility training to hospice work, Jack and his master learn their lessons side by side, inevitably applying what they have learned as their own lives unfold. It is a love story that can be used as an informal study guide for those who are in the process of training a dog, learning to love, or grieving over the loss of a friend.Jack presents with a wise, open and informed mind. He speaks firsthand about the psychological aspects of canine behavior as he opens the reader's mind to the possibilities that exist in life and after death. He reminds us that the way we think can change the course of our lives.This story will touch everyone who has ever loved. It matters not if they have four legs or two. Jack leads us to a higher love as he expands our tolerance and compassion for all of humanity. He extends himself to every creature of the earth, every human on the planet, every spirit in the universe and most of all, to the bona fide Master over all.

From USA Today's bestselling author Terri Anne Browning's The Rocker... comes a New Adult novella series, The Lucy & Harris Novella Series.

LucySo yeah, my dad is a rock star; he's the drummer for Demon's Wings. Big whoop. Honestly, the fame that comes with having a famous dad is not all that you think it might be. It sucks. You have no privacy. Oh yeah, and don't let me forget about the lunatics that want to do who knows what to you just to get famous. When I leave the house every morning I feel like my life isn't my own. Between the paparazzi, the fans, my bodyguard, and everything else I feel like I'm part of the freak show in the circus most days. It wasn't always like this, though. I didn't always feel like this. Once upon a time I had a best friend who helped me deal with this life that we both belonged to. HarrisSo yeah, my dad is a rock star; he's the drummer for OtherWorld. And Lucy was and always will be the only girl to ever know the real me. She was my best friend, my voice of reason. My sanity. Maybe she outgrew me. But I will never outgrow her. It's been years since I've seen her, and I miss her so damn bad. All I want is a chance to get back what we've lost, to have my best friend in my life again. I wasn't counting on how grown up my friend might have gotten, how beautiful she is now. The more time I spend with this new Lucy, I have to wonder if I really want that old friendship back...or if I want much, much more.

This book examines the interactional practices of nurse practitioners (NPs) and the delivery of health care in the US. The author takes a discourse

analytic approach, examining the linguistic resources that NPs employ in their interactions with patients. These linguistic features are connected to the concept of professional competency with specific focus on the enactment of the patient-centered approach. Analytic focus is placed on how NPs address organizational responsibilities during medical visits with patients, the form and function of patient education, the use of indirect speech, and the role that small talk plays in health care encounters. The book explores the understudied professional field of nurse practitioners and examines their linguistic practices with an eye on crossing disciplinary boundaries, integrating research from linguistics, discourse analysis and health communication. It will appeal to those interested in medical discourse analysis and health communication, as well as applied linguistics scholars.
