A quirky, creepy fantasy set in Eerie-on-Sea finds a colorful cast of characters in hot pursuit of a sea monster thought to convey a surprising gift. It's winter in the town of Eerie-on-Sea, where the mist is thick and the salt spray is rattling the windows of the Grand Nautilus Hotel. Inside, young Herbert Lemon, Lost and Founder for the hotel, has an unexpected visitor. It seems that Violet Parma, a fearless girl around his age, lost her parents at the hotel when she was a baby, and she's sure that the nervous Herbert is the only person who can help her find them. The trouble is, Violet is being pursued at that moment by a

strange hook-handed man. And the town legend of the Malamander — a part-fish, part-human monster whose egg is said to make dreams come true — is rearing its scaly head. As various townspeople, some good-hearted, some nefarious, reveal themselves to be monster hunters on the sly, can Herbert and Violet elude them and discover what happened to Violet's kin? This lighthearted, fantastical mystery, featuring black-and-white spot illustrations, kicks off a trilogy of fantasies set in the seaside town.

This book is a translation of one of the most important Turkish scholarly works of the twentieth century. It was the masterpiece of M.F. Koprulu, one of Turkey's leading, and most prolific, intellectuals and scholars. Using a wide

variety of Arabic, and especially Turkish and Persian sources, this book sheds light on the early development of Turkish literature and attempts to show the continuity in this development between the Turks and that of Anatolia. Early Mystics in Turkish Literature addresses this topic within the context of other subjects, including Sufism, Islam and the genesis of Turkish culture in the Muslim world. This is a major contribution to the study of Turkish literature and is essential reading for scholars of Turkish literature, Islam, Sufism and Turkish history.

'The pen would smoothly write the things it knew
But when it came to love it split in two, A donkey stuck in mud is logic's fate - Love's nature only

love can demonstrate.' Rumi's Masnavi is widely recognized as the greatest Sufi poem ever written, and has been called 'the Koran in Persian'. The thirteenth-century Muslim mystic Rumi composed his work for the benefit of his disciples in the Sufi order named after him, better known as the whirling dervishes. In order to convey his message of divine love and unity he threaded together entertaining stories and penetrating homilies. Drawing from folk tales as well as sacred history, Rumi's poem is often funny as well as spiritually profound. Jawid Mojaddedi's sparkling new verse translation of Book One is consistent with the aims of the original work in presenting Rumi's most mature mystical teachings in simple and attractive rhyming couplets.

Resat Nuri Guntekin (1889-1956) published *Yaprak Dokumu* in 1930. It's a tragicomic novel of bourgeois life in a rapidly changing Istanbul. The novel magnificently and richly depicts Turkish family and work life under stresses caused by the rapid introduction of modern and European norms. The hero, Master Ali Riza, an idealistic ex civil servant who translates business documents for the firm of Goldleaf Limited, leaves the firm out of profound moral scruples, and this leads to extreme financial stresses on his family. This is a new translation, illustrated with caricatures from the satirical weekly "kalem" published in the early 20th century. Discounts are available for volume purchases.

Available in English for the first time, this best-selling Turkish classic of love and alienation in a changing world captures the vibrancy of interwar Berlin. A shy young

man leaves his home in rural Turkey to learn a trade and discover life in 1920s Berlin. There, amidst the city's bustling streets, elegant museums, passionate politics, and infamous cabarets, a chance meeting with a beautiful half-Jewish artist transforms him forever. Caught between his desire for freedom from tradition and his yearning to belong, he struggles to hold on to the new life he has found with the woman he loves. Emotionally powerful, intensely atmospheric, and touchingly profound, *Madonna in a Fur Coat* is an unforgettable novel about new beginnings, the relentless pull of family ties, and the unfathomable nature of the human soul. First published in 1943, this novel, with its quiet yet insistent defiance of social norms, has been topping best-seller lists in Turkey since 2013.

What is Sufism?
Contemporary views vary tremendously, even among Sufis themselves.

Contemporary Sufism: Piety, Politics, and Popular Culture brings to light the religious frameworks that shape the views of Sufism's friends, adversaries, admirers, and detractors and, in the process, helps readers better understand the diversity of contemporary Sufism, the pressures and cultural openings to which it responds, and the many divergent opinions about contemporary Sufism's relationship to Islam. The three main themes: piety, politics, and popular culture are explored in relation to the

Islamic and Western contexts that shape them, as well as to the historical conditions that frame contemporary debates. This book is split into three parts: • Sufism and anti-Sufism in contemporary contexts; • Contemporary Sufism in the West: Poetic influences and popular manifestations; • Gendering Sufism: Tradition and transformation. This book will fascinate anyone interested in the challenges of contemporary Sufism as well as its relationship to Islam, gender, and the West. It offers an ideal starting point from which undergraduate and postgraduate students, teachers and lecturers can explore Sufism today.

Fidel Castro is one of the most
interesting and controversial
personalities of our time — he
has become a myth and an icon.
He was the first Cuban Caudillo
— the man who freed his
country from dependence on
the USA and who lead his
people to rediscover their
national identity and pride.
Castro has outlived generations
of American presidents and
Soviet leaders. He has survived
countless assassination attempts
by the CIA, the Mafia, and
Cubans living in exile. He has
become one of the greatest
politicians of the 20th Century.
His biography, and the history
of his country exemplify the
tensions between East and West,
North and South, rich and poor.
As Castro's life draws to a close,

the question as to what will
become of Cuba is more
important than ever. Will Castro
open Cuba to economic reform
and democratization, or stick to
his old slogan socialism or death?
In this remarkable, up-to-date
reconstruction of Castro's life,
Volker Skierka addresses these
questions and provides an
account of the economic, social,
and political history of Cuba
since Castro's childhood. He
draws on a number of little-
known sources, including
material from the East German
communist archives on Cuba,
which were until recently
inaccessible. This is an exciting,
painstakingly researched, and
authoritative account of the life
of one of the most extraordinary
political figures of our time.
