Jackson's spirit is a powerful one—none other than the Egyptian pharaoh Menes, who longs to reunite with his eternal love, the Egyptian queen Hatshepsut. While Menes is obsessed with finding the perfect vessel for his queen, Jackson cannot stop thinking about Dr. Marissa Anderson, the gorgeous precinct shrink who keeps pushing him to confront his grief over the loss of his K-9 partner. Supernatural premiered on September 13, 2005, on what was then called the WB Network. Creator Eric Kripke was inspired by Jack Kerouac's *On The Road*, putting his heroes, brothers Sam and Dean Winchester, in a big black '67 Impala and sending them in search of the urban legends that fascinated him. The series attracted a passionate fan base from the start and was described as a "cultural attractor" that tapped into the zeitgeist of the moment, reflecting global fears of terrorism with its themes of fighting unseen evil. The chemistry between the lead actors, Jared Padalecki and Jensen Ackles, contributed to the show's initial success, and *Supernatural* found its niche when it combined demon-hunting adventures with a powerful relationship drama that explored the intense, complicated bond between the brothers. *Supernatural* is as much a story of familial ties, love, and loyalty as it is of "saving people, hunting things." *Fan Phenomena: Supernatural* explores the ongoing fascination and passion for a show that developed a relationship with fans through eight seasons and continues to have an impact on fan culture to the present day. Essays here explore the rich dynamic that has developed between fans and producers, actors, writers, directors, the show

creator, and showrunners through online interactions on Twitter and Facebook, face-to-face exchanges at conventions, and representations of fandom within the show's meta-episodes. Contributors also explore gender and sexuality in the show and in fan art; the visual dynamics, cinematography, and symbolism in the episodes as well as the fan videos they inspire; and the culture of influence, learning, and teaching in the series.
