Twinchance Simon and Schuster THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The

colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE

AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1?41); Volume 1: To 1877 (Chapters 1?22); Volume 2: Since 1865 (Chapters 22?41). CASE FILE: THE FINAL (?)
UNSITTABLES SUMMARY:
With the entire Unsittables program in jeopardy of termination, Gabby Duran, Associate 4118-25125A has been tasked with caring for three young charges on the afternoon of a highly important Planetary Treaty Association (P.T.A.) meeting-one that could change the fate of the entire galaxy. While Gabby has proven in the past to be resourceful in a crisis, the members of A.L.I.E.N. currently have serious doubts about whether she has what it takes to protect the lives, and the identities of aliens here on earth. But we've decided to give her one last chance to

prove herself. Of course, it won't be easy. Her three new clients hail from three different alien planets and each have special powers that require a deep well of patience on the part of their caretaker. We also have recently received word that one of her charges, a young girl by the name of Sharli, has become the target of certain unsavory intergalactic elements who might wish to do her harm. Will Gabby manage to keep the girl safe (and on-planet) until her mother returns from her P.T.A. meeting? Will any of us live to tell the tale? This fast-paced, planet-hopping, laugh-inducing novel perfectly wraps up the Gabby Duran and the Unsittables book series while catapulting readers into the action of the new Disney Channel Original Series of the same title, now airing on Disney Channel!
