Any strategy to cope with an influenza
pandemic must be based on the knowledge
and tools that are available at the time an
epidemic may occur. In the near term,
when we lack an adequate supply of vaccine

and antiviral medication, strategies that rely
on social distancing and physical barriers
will be relatively more prominent as means
to prevent spread of disease. The use of
respirators and facemasks is one key part of
a larger strategy to establish barriers and
increase distance between infected and
uninfected individuals. Respirators and
facemasks may have a role in both clinical
care and community settings. Reusability of
Facemasks During an Influenza Pandemic:
Facing the Flu answers a specific question
about the role of respirators and facemasks
to reduce the spread of flu: Can respirators

and facemasks that are designed to be disposable be reused safely and effectively? The committee-assisted by outstanding staff-worked intensively to review the pertinent literature; consult with manufacturers, researchers, and medical specialists; and apply their expert judgment. This report offers findings and recommendations based on the evidence, pointing to actions that are appropriate now and to lines of research that can better inform future decisions.

How to Make Sewing Patterns solves the mysteries of pattern drafting with easy, step-by-step instructions and clear line drawings that show how to create custom-fit garments in a wide range of designs. The book s detailed instructions on measuring and fitting include do-it-yourself photographs as well as directions for creating custom dress forms.

Don McCunn has certainly mastered pattern drafting and fitting a wide range of bodies. Whether or not you have taken pattern drafting in a class, this book is a good

reference in a very readable style. I especially liked the exacting instructions on taking measurements on the body and the solution for side seams which are not perpendicular to the floor. --Sandra Betzina, the power behind power sewing. Author of 10 books, a syndicated column for 37 years, and a host of her own show on HGTV for 6 years. Beyond the impressive range of material in How to Make Sewing Patterns is the author's obvious concern that readers understand what they are doing and why. There are many helpful tips throughout the book, some quite clever and unexpected. The section on drafting a sloper contains excellent explanations of the various body contours, measuring, and fitting. Text, drawings, and photos of the human body from every angle illustrate the various

interrelated contours and just how a pattern accommodates them. He even gives detailed instructions on how to measure and fit yourself. --Threads Magazine McCunn's book dispels the mysteries of pattern drafting, an area which was once the province of the couturier. A do-it-yourself text in which lessons build upon one another, this book provides detailed guides to creating patterns. --Library Journal The most readable pattern drafting book I've found. The drawings are the simplest line drawings possible but executed with concise purpose. --Whole Earth Catalog Donald McCunn leads the beginning seamstress or the advanced into pattern drafting via a thorough introduction. He shows that drafting is easy if each step is clearly related to the final outcome and if the drafter

visualizes what he or she is doing. --Christian Science Monitor"

Women, Dreaming

Salma's novel takes you into a world of women. It is writing that describes the inner universe of women who do not know the outside world.

Salma deftly shows [how] these women navigate their sad, emotional landscape, holding time in their hands, gradually stepping outside their sorrows. Everything here is fresh, including their feminine language. Traditionalist mindsets may not be taken in by this novel where stories emerge from under the blanket of tradition, revealing that a break with the old order is inevitable' -Perumal

Murugan, Indian author, scholar and literary chronicler who writes in Tamil 'Women, Dreaming is an evocative double bill of fierce feminine lifescapes, with the iconic Salma's searing Tamil narrative rendered in translucent English by the hugely gifted Meena Kandasamy' -Namita Gokhale, writer, publisher and festival director 'Women grapple with life in a universe constructed by men, for men[,] in this moving story set in a tiny village in Tamil Nadu. Despite the claustrophobic trappings of religious patriarchy, they chart their own course and find their own voice. In Salma's splendid telling, even those who appear to remain static resist through words and silence. Meena Kandasamy's effortless translation is imbued with the fragrance of Tamil' -T.M. Krishna, Carnatic vocalist, writer, activist and author Mehar dreams of freedom and a life with her children. Asiya dreams of her daughter's

happiness. Sajida dreams of becoming a doctor. Subaida dreams of the day when her family will become free of woes. Parveen dreams of a little independence, a little space for herself in the world. Mothers, daughters, aunts, sisters, neighbours . . . In a tiny Muslim village in Tamil Nadu, the lives of these women are sustained by the faith they have in themselves, in each other, and the everyday compromises they make. Salma's storytelling-crystalline in its simplicity, patient in its unravelling-enters this interior world of women, held together by love, demarcated by religion, comforted by the courage in dreaming of better futures. *Women, Dreaming* is a beautiful novel by writer and activist Salma, translated exquisitely from the Tamil by Meena Kandasamy. This revised edition of the Northern Territory Dictionary of Biography brings together the entries from the original three volumes, published in 1990, 1992 and 1996. The Dictionary spans the period from the early British and French explorers of the Northern Territory coast to the mid 1990s and aims to provide a broad reflection of life in the Territory rather than

focusing on eminent public figures. In some cases this has meant that some subjects are included about whom relatively little is known. Authors come from the widest possible cross-section of the community and there is a considerable range of writing styles. The principal interest of the volume is the Northern Territory. In all cases, the Territory experience of subjects, however eminent they might have been elsewhere, is thus the focal point of entries. This volume is available on CD (ISBN 9780980384697) and in this limited paperback edition.
