Also included in this report are industry class totals and rankings of the top 100 companies of the ten media.

## Home Economics and Domestic Subjects Review Lulu.com

Piece by piece, world-renowned textile artist Kaffe Fassett and his team of designers create famously stunning quilts. Over the years, Fassett has attracted a passionate audience of quilters, who will revel in this exciting new collection of 20 beautiful quilts, each a gorgeous display of the dynamic colorways, keen fabric choices, and brilliant design sense at work. Photographed at the Skansen Museum in Stockholm, Sweden, Kaffe's vibrant collection provides a pleasing contrast to its spare, homey surroundings. The patterns, based on Kaffe's signature line of Rowan fabrics, are designed by him along with some of the world's finest quilters, including Liza Prior Lucy, Pauline Smith, Roberta Horton, and introducing Corinne Kramer. In addition to complete instructions, "Quilts in Sweden" includes Kaffe's tips and techniques, culled from more than 30 years of experience, which offer additional one-of-a-kind guidance.

## **Braby's Cape Province Directory**

For those seeking a slower, gentler way to make clothes, this book will serve as a guide to sewing clothing by hand -- without use of a sewing machine. Learn the techniques needed to stitch sturdy, modern adult clothing by hand. Ponder the bigger picture with several contextual essays, and then settle in for storytime, as you read a set of stories about hand-sewn clothes. Hand sewing clothing can be a radical act of slow fashion. Reclaim the

democratic, accessible, ancient power of sewing that needs no machine.

How to Make Sewing Patterns solves the mysteries of pattern drafting with easy, step-by-step instructions and clear line drawings that show how to create custom-fit garments in a wide range of designs. The book's detailed instructions on measuring and fitting include do-it-yourself photographs as well as directions for creating custom dress forms. Don McCunn has certainly mastered pattern drafting and fitting a wide range of bodies. Whether or not you have taken pattern drafting in a class, this book is a good reference in a very readable style. I especially liked the exacting instructions on taking measurements on the body and the solution for side seams which are not perpendicular to the floor. --Sandra Betzina, the power behind power sewing. Author of 10 books, a syndicated column for 37 years, and a host of her own show on HGTV for 6 years. Beyond the impressive range of material in How to Make Sewing Patterns is the author's obvious concern that readers understand what they are doing and why. There are many helpful tips throughout the book, some quite clever and unexpected. The section on drafting a sloper contains excellent explanations of the various body contours, measuring, and fitting. Text, drawings, and photos of the human body from every angle illustrate the various interrelated contours and just how a pattern accommodates them. He even gives detailed instructions on how to measure and fit yourself. --Threads Magazine McCunn's book dispels the mysteries of pattern drafting, an area which was once the province of the couturier. A do-it-yourself text in which lessons build upon one another, this book provides detailed guides to creating patterns. --Library Journal The most readable pattern drafting book I've found. The drawings are the simplest line drawings possible but executed with concise purpose. --Whole Earth Catalog Donald McCunn leads the beginning seamstress or the advanced into pattern drafting via a thorough introduction. He shows that drafting is easy if each step is clearly related to the final outcome and if the drafter visualizes what he or she is doing. --Christian Science Monitor"

## **The Cornell Alumni News**

This revised edition of the Northern Territory Dictionary of Biography brings together the entries from the original three volumes, published in 1990, 1992 and 1996. The Dictionary spans the period from the early British and French explorers of the Northern Territory coast to the mid 1990s and aims to provide a broad reflection of life in the Territory rather than focusing on eminent public figures. In some cases this has meant that some subjects are included about whom relatively little is known. Authors come from the widest possible cross-section of the community and there is a considerable range of writing styles. The principal interest of the volume is the Northern Territory. In all cases, the Territory experience of subjects, however eminent they might have been elsewhere, is thus the focal point of entries. This volume is available on CD (ISBN 9780980384697) and in this limited paperback edition.

**North Dakota Blue Book**

"After careful study of all sources for two years, the authors are of the opinion that [their Kennamer] forefathers were of High Dutch descent and lived in Holland near where that State borders with present-day Germany. ... They came to this country before the Revolutionary War and settled in the Carolinas."--Page 13. Some later went to Alabama. "Hans Kennamer, with a large family, and his eldest son, Jacob, who was married, came to the Cove and settled among the Indians in 1798, or not later than 1805. This place is now know as Kennamer Cove. ... The records of Madison County, Alabama, show that Samuel, Stephen and Jacob Kennamer bought land in that county in 1809. ... It is a well-known fact that the sons of Hans Kennamer settled ... in the western part of Jackson County, the eastern part of Madison County, and the northern part of Marshall County. David and Abram resided in Madison County, while John Kennamer lived at the place wher Paint Rock, Alabama, now is. ... Hans Kennamer died and was buried in Pisgah Cemetery, in Kennamer Cove, Alabama."--Page 14-15. Nothing is know of his wife. Son Jacob Kennemer (ca. 1776-1856) " ... moved from Alabama to Giles County, Tennessee where he acquired ... land of Sugar Creek. ... He was married twice, but the names of his wives could not be ascertained. He was buried on Anderson Creek, in Lauderdale County, Alabama, near Foster's Mill."--P. 17-18. Also includes Kennamer, Kennemore, Canamore, Kennemur, Kennemer, Kenimer families of Georgia. Descendants and relatives lived in Alabama, Tennessee, Texas, California, Oklahoma, New Mexico, Missouri, Iowa, Georgia and elsewhere
