Pride and Prejudice and Kitties Algonquin Books

A hilarious mash-up of cats and Austen. What if Jane Austen 's Pride and Prejudice was told from a cat 's point of view? On the heels of smash hits like Pride and Prejudice and Zombies and I Can Has Cheezburger, this hilarious mash-up by children 's author Pamela Jane and photographer Deborah Guyol spins a fresh, quirky take on two of the things we just can ' t get enough of: classic cats and classic Jane. Pride and Prejudice and Kitties juxtaposes wacky photos of cats with the wicked humor of Jane Austen. Soulful Mr. Darcy gazes at Elizabeth Bennet in fascination; hysterical Mrs. Bennet yowls that no one understands her; somnolent Mr. Hurst passes out on the sofa after dinner; arrogant Lady Catherine hisses at Elizabeth. Each photo includes a hilarious caption that goes along with the text of Pride and Prejudice, told from a feline perspective. Pride and Prejudice and Kitties is a book for cat-lovers, Austen-lovers, and people who love to laugh—in other words, just about everyone.

The Shadows Thorndike Striving Reader

A “ sharply funny and sobering . . . portrait of a family in financial free fall ” from the New York Times – bestselling author of Young Jane Young (People). With The Hole We ' re In—a bold, timeless, yet all too timely novel about a troubled American family navigating an even more troubled America—award-winning author and screenwriter, Gabrielle Zevin, delivers a work that places her in the ranks of our shrewdest social observers and top literary talents. Meet the Pomeroy: a church-going family living in a too-red house in a Texas college town. Roger, the patriarch, has impulsively gone back to school, only to find his future ambitions at odds with the temptations of the present. His wife, Georgia, tries to keep things afloat at home, but she ' s been feeding the bill drawer with unopened envelopes for months and never manages to confront its swelling contents. In an attempt to climb out of the holes they ' ve dug, Roger and Georgia make a series of choices that have catastrophic consequences for their three children—especially for Patsy, the youngest, who will spend most of her life fighting to overcome them. The Hole We ' re In shines a spotlight on some of the most relevant issues of today: over-reliance on credit, gender and class politics, and the war in Iraq. But it is Zevin ' s deft exploration of the fragile economy of family life that makes this a book for the ages. “ Blazing . . . Sharp . . . The Corrections for our recessionary times . . . [Zevin] establishes herself as an astute chronicler of the way we spend now. ” —Publishers Weekly (starred review)

This work is the author's memoir of his life, his parents, and the upstate New York town they all struggled variously to escape. Anyone familiar with the author's fiction will recognize Gloversville, New York, once famous for producing that eponymous product and anything else made of leather. This is where the author grew up, the only son of an aspirant mother and a good-time, second-fiddle father who were born into this close-knit community. But by the time of his childhood in the 1950s, prosperity was inexorably being replaced by poverty and illness (often tannery-related), everyone barely scraping by under a very low horizon. A world elsewhere was the dream his mother instilled in Rick, and strived for herself, and their subsequent adventures and tribulations, recounted here, only to prove lifelong, as would Gloversville's fearsome grasp on them both.
