In a world where magic walks and demons ride, you can't always play by the rules. Jayné Heller thinks of herself as a realist, until she discovers reality isn't quite what she thought it was. When her uncle Eric is

murdered, Jayné travels to Denver to settle his estate, only to learn that it's all hers -- and vaster than she ever imagined. And along with properties across the world and an inexhaustible fortune, Eric left her a legacy of a different kind: his unfinished business with a cabal of wizards known as the Invisible College. Led by the ruthless Randolph Coin, the Invisible College harnesses demon spirits for their own ends of power and domination. Jayné finds it difficult to believe magic and

demons can even exist, let alone be responsible for the death of her uncle. But Coin sees Eric's heir as a threat to be eliminated by any means -- magical or mundane -- so Jayné had better start believing in something to save her own life. Aided in her mission by a group of unlikely companions -- Aubrey, Eric's devastatingly attractive assistant; Ex, a former Jesuit with a lethal agenda; Midian, a two-hundred-year-old man who claims to be under a curse from Randolph Coin himself;

Kristina Douglas’s sexy new series introduces a realm of fallen angels and ruthless demons, where an eternal rebellion is brewing . . . and one unsuspecting woman can change the fate of the Fallen forever. She was just an ordinary mortal . . . “You’re dead” is so not what Allie Watson wants to

hear. Unfortunately, it explains a lot. Like the dark, angelically handsome man who ferried her to this strange, hidden land. The last thing she remembers is stepping off a curb in front of a crosstown bus. Now she’s surrounded by gorgeous fallen angels with an unsettling taste for blood—and they really don’t want her around. Not exactly how she pictured heaven. . . . until death catapulted her into a seductive world she never imagined. Raziel is unsure why he rescued Allie from

hellfire against Uriel's orders, but she stirs in him a longing he hasn't felt in centuries. Now the Fallen are bracing for the divine wrath brought by his disobedience, and they blame Allie for the ferocious Nephilim clawing at the kingdom's shrouded gates. Facing impossible odds at every turn, the two must work together to survive. Raziel will do anything to defend his spirited lover against the forces of darkness—because Allie may be the Fallen's only salvation.

Enchanted, Inc. Simon and Schuster
Acclaimed by critics and readers on its first publication in 1987, winner of the Locus Award for Best First Novel, Emma Bull's *War for the Oaks* is one of the novels that has defined modern urban fantasy. Eddi McCandry sings rock and roll. But her boyfriend just dumped her, her band just broke up, and life could hardly be worse. Then, walking home through downtown Minneapolis on a dark night, she finds herself

drafted into an invisible war between the faerie folk. Now, more than her own survival is at risk—and her own preferences, musical and personal, are very much beside the point. By turns tough and lyrical, fabulous and down-to-earth, *War for the Oaks* is a fantasy novel that's as much about this world as about the other one. It's about real love and loyalty, about real music and musicians, about false glamour and true art. It will change the way you hear and see your own daily life. At
