In a town full of vampires, mages, and werewolves, detective work can be dangerous: "Dark and sexy . . . a paranormal treat" (Lara Adrian, New York Times–bestselling author). Shiarra Waynest's job was dangerous enough when her client base was strictly mortal. But ailing finances have forced her to accept a lucrative case that could save her firm—if it doesn't kill her first. Shiarra has signed on to work for a high-level mage to recover an ancient artifact owned by one of New York's most powerful vampires. As soon as the detective meets the sexy, mesmerizing vampire Alec Royce, she knows her assignment is even more complicated than she thought. With a clandestine anti-Other group trying to recruit her and magi being eliminated, Shiarra needs backup. She enlists her ex-boyfriend—a werewolf whose non-furry form is disarmingly appealing—and a nerdy mage with surprising talents. But it may not be enough. In a city where the undead roam, magic rules, and even the Others aren't always what they seem, Shiarra has just become the secret weapon in a battle between good and evil—whether she likes it or not. This fast-moving urban fantasy is "a fun, high octane ride with a take charge heroine who will leave you wanting more" (Alexandra Ivy, New York Times–bestselling author).
