In a world
where magic

walks and
demons ride,
you can't
always play by
the rules.
Jayn é Heller
thinks of
herself as a
realist, until
she discovers
reality isn't
quite what she
thought it was.

When her uncle
Eric is
murdered,
Jayn é travels
to Denver to
settle his
estate, only to
learn that it's
all hers -- and
vaster than she
ever imagined.
And along with
properties

across the world and an inexhaustible fortune, Eric left her a legacy of a different kind: his unfinished business with a cabal of wizards known as the Invisible College. Led by the ruthless Randolph Coin, the Invisible College harnesses demon spirits for their own ends of power and domination. Jayn é finds it difficult to believe magic and demons can even exist, let alone be

responsible for the death of her uncle. But Coin sees Eric's heir as a threat to be eliminated by any means -- magical or mundane -- so Jayn é had better start believing in something to save her own life. Aided in her mission by a group of unlikely companions -- Aubrey, Eric's devastatingly attractive assistant; Ex, a former Jesuit with a lethal agenda; Midian, a two-hundred-

year-old man who claims to be under a curse from Randolph Coin himself; and Chogyi Jake, a self-styled Buddhist with mystical abilities -- Jayn é finds that her new reality is not only unexpected, but often unexplainable. And if she hopes to survive, she'll have to learn the new rules fast -- or break them completely.... **Beauty from Surrender**

THE BEST WAY TO GET OVER SOMEBODY... The last thing I need after the day from hell is to have to make small talk with my neighbor. Sure, he's all kinds of gorgeous, and yes, he's only at my

house to fix the sink as a favor to me. But still, after my lukewarm, basic boyfriend dumped me and my boss made a pass, I don't want Flynn McCauley's charming smile and beautiful green eyes trying to lift me out of a perfectly good funk. Or maybe I do... IS TO GET UNDER SOMEBODY... I've been watching Maddie waste her time in a mediocre job with an even more mediocre boyfriend for way too long. I'm tired of being the shoulder to cry on when clearly she needs something else. Something deliciously bad that will make us both feel incredibly good. Now all I have to do

is convince her that having a friend-with-benefits in close proximity is the best way to end every day. And I have to convince myself to take a risk on something that feels an awful lot like love...

Ben Tucker is surprised to find that the scientist he wants for his company ' s engineering division is a young woman—and a beautiful, sharp-witted one at that. Ten years after Covenant ' s death, Linden Avery still mourns for her beloved companion. But a violent confrontation with Covenant ' s son, who is doing the evil Lord Foul ' s bidding, forces her

Her next job might just rob her of all of them. At Grace Memorial Hospital in Chicago, something is stirring. Patients are going AWOL and research subjects share the same sinister dreams. Half a century ago, something was buried under Grace in a terrible ritual, and it ' s straining to be free. Jayn é is primed to take on whatever ' s about to be let loose. Sparks Simon and Schuster Multi-award winning author Alette de Bodard, brings her story of the War in Heaven to Paris, igniting the City of Light in a fantasy of divine power and deep conspiracy. . . . In the late twentieth century, the streets of Paris are lined with haunted ruins, the aftermath of a Great War between arcane powers. The Grand Magasins have been reduced to piles of debris, Notre-Dame is a burnt-out shell,

and the Seine has turned black with ashes and rubble and the remnants of the spells that tore the city apart. But those that survived still retain their irrepressible appetite for novelty and distraction, and The Great Houses still vie for dominion over France ' s once grand capital. Once the most powerful and formidable, House Silverspires now lies in disarray. Its magic is ailing; its founder, Morningstar, has been missing for decades; and now something from the shadows stalks its people inside their

very own walls. Within the House, three very different people must come together: a naive but powerful Fallen angel; an alchemist with a self-destructive addiction; and a resentful young man wielding spells of unknown origin. They may be Silverspires' salvation—or the architects of its last, irreversible fall. And if Silverspires falls, so may the city itself.
