It's a homecoming, of sorts, for Jayné Heller—and she wants some long-awaited answers to her past, in this fifth book in the acclaimed Black Sun's Daughter urban

---

fantasy series. After years on her own, Jayné Heller is going home to find some answers. How did the powerful spirit calling itself the Black Sun get into her body? Who was her uncle Eric, and what was the grand plan that he devoted his life to? Who did her mother have an affair with, and why? What happened to her on her sixteenth birthday? And the tattoo—seriously—what was that about? Jayné arrives amid preparations for her older brother’s shotgun wedding, but she’s not the only unexpected guest. The Invisible College has come to town to stop the ceremony. And the more she learns, the more she uncovers a darkness that runs deeper than

generations and stronger than blood. A missing bride and wizards bent on vengeance may be the least of her problems. Because in the shadows of Jayné’s childhood home, a greater threat awaits that didn’t die with her uncle. It calls itself the Graveyard Child.

Enchanted, Inc. Independently Published

In a world where magic walks and demons ride, you can't always play by the rules. Jayné Heller thinks of herself as a realist, until she discovers reality isn't quite what she thought it was. When her uncle Eric is murdered, Jayné travels to Denver to settle his estate,

only to learn that it's all hers -- and vaster than she ever imagined. And along with properties across the world and an inexhaustible fortune, Eric left her a legacy of a different kind: his unfinished business with a cabal of wizards known as the Invisible College. Led by the ruthless Randolph Coin, the Invisible College harnesses demon spirits for their own ends of power and domination. Jayné finds it difficult to believe magic and demons can even exist, let alone be responsible for the death of her uncle. But Coin sees Eric's heir as a threat to be eliminated by

---

any means -- magical or mundane -- so Jayné had better start believing in something to save her own life. Aided in her mission by a group of unlikely companions -- Aubrey, Eric's devastatingly attractive assistant; Ex, a former Jesuit with a lethal agenda; Midian, a two-hundred-year-old man who claims to be under a curse from Randolph Coin himself; and Chogyi Jake, a self-styled Buddhist with mystical abilities -- Jayné finds that her new reality is not only unexpected, but often unexplainable. And if she hopes to survive, she'll have to learn the new rules fast -- or

break them completely....

Magic Triumphs American Library Association

Acclaimed by critics and readers on its first publication in 1987, winner of the Locus Award for Best First Novel, Emma Bull's *War for the Oaks* is one of the novels that has defined modern urban fantasy. Eddi McCandry sings rock and roll. But her boyfriend just dumped her, her band just broke up, and life could

---

hardly be worse. Then, walking home through downtown Minneapolis on a dark night, she finds herself drafted into an invisible war between the faerie folk. Now, more than her own survival is at risk—and her own preferences, musical and personal, are very much beside the point. By turns tough and lyrical, fabulous and down-to-earth, *War for the Oaks* is a fantasy novel that's as much about this world as about the other one. It's about real love and loyalty, about real music and musicians, about false glamour and true art. It will change the way you hear and see your own daily life.
