Embers of Love,, first book in the Striking a Match series, VERY GOOD! Unusual name for a series. Enjoyed getting to know the main characters, they all have alot going for them. I love the Mother of Deborah, I kept expecting a little romance between her and her brother-in-law. Maybe in the next sequel, hopefully.

Embers of Love was a very entertaining read. I found the anti-literacy culture fascinating. Considering today's culture of unending learning, this hard work and no need for reading

mentality was an intriguing twist added into the story.

Embers of Love I never write reviews. Ever. This book is a cut above everything I have read. The people and situations are real, as are the emotions. This book is well worth the time to read it, and the time to review it. As I live in Lowell Massachusetts I am off to a book store to find what this author has written about the Lowell Mill Girls.
