Dell EMC Unisphere 360 Version 9.1.0 Installation Guide Rev 01 September 2019  
Just to be clear, the 32-bit version of Java is the only one officially supported by EMC. From the latest Release Notes - page 7 (attached) Java support. The following 32 bit Java Platforms are verified by EMC and compatible for

use with Unisphere, Unified Service Manager (USM), and VNX Installation Assistant (VIA):
