ROMAN BLOOD A thrilling puzzle from the ancient world with real historical characters and based on a case in Cicero's Orations - Roman Blood is a perfect blend of mystery and history by a brilliant storyteller. On an unseasonably warm spring morning in 80BC, Gordianus the Finder is summoned to the house of Cicero, a young advocate and orator preparing his first important case. His client is Umbrian landowner, Sextus Roscius, accused of the unforgivable: the murder of his own father. Gordianus agrees to investigate the crime - in a society fire with deceit, betrayal and conspiracy, where neither citizen nor slave can be trusted to speak the truth. But even Gordianus is not prepared for the spectacularly dangerous fireworks that attend the resolution of this ugly, delicate case... HOUSE OF THE VESTALS Wonderfully entertaining mystery stories set in the world of the acclaimed ROMA SUB ROSA series. It is the Rome of the Late Republic, and Gordianus the Finder has a knack for finding trouble - and dead bodies. Known to many as the one man in the ancient world who can both keep a secret and uncover one, Gordianus lays bare some of his most intriguing adventures in this new volume in Steven Saylor's highly acclaimed mystery series. In 'Little Caesar and the Pirates', Gordianus must act as a go-between for kidnappers, but he begins to wonder who is really being held hostage; in 'The Alexandrian Cat', a mischievous girl and a tell-tale sneeze reveal an ingenious plot of murder and thievery; and in 'The House of the Vestals', blackmail goes horribly wrong and there is no one to take the blame. The result is an engrossing collection of finely wrought mystery tales with all the suspense and craft that are the trademark of Saylor's work. A GLADIATOR DIES ONLY ONCE Gordianus the Finder, famed detective of Ancient Rome, returns in a riveting of stories. Nine tales of murder and intrigue take him from the seamy streets of Rome to elegant villas on the Bay of Naples, from the spectacular backdrop of a chariot race to a domestic dispute with his Egyptian concubine Bethesda. In the title story a beautiful Nubian actress begs Gordianus to solve an impossible problem: how can she have just seen her beloved brother in the market place when she had previously watched him die a gruesome death as a gladiator? ARMS OF NEMESIS South of Rome on the Gulf of Puteoli stands the splendid villa of Marcus Crassus, Rome's wealthiest citizen. When the estate overseer is murdered, Crasus concludes that the deed was done by two missing slaves, who have probably run off to join the Spartacus Slave Revolt. Unless they are found within five days, Crassus vows to massacre his remaining ninety-nine slaves. To Gordianus the Finder falls the fateful task of resolving this riddle from Hades. In a house filled with secrets, the truth is slow to emerge and Gordianus realizes that the labyrinthine path he has chosen just may lead to his own destruction.

In the unseasonable heat of a spring morning in 80 B.C., Gordianus the Finder is summoned to the house of Cicero, a young advocate staking his reputation on a case involving the savage murder of the wealthy, sybaritic Sextus Roscius. Charged with the murder is Sextus's son, greed being the apparent motive. The punishment, rooted deep in Roman tradition, is horrific beyond imagining. The case becomes a political nightmare when Gordianus's investigation takes him through the city's raucous, pungent streets and deep into rural Umbria. Now, one man's fate may threaten the very leaders of Rome itself.

Cicero was still in his twenties when he got Sextus Roscius off a charge of murdering his father and nearly sixty when he defended King Deiotarus, accused of trying to murder Caesar. In between (with, among others, his speeches for Cluentius and Rabirius), he built a reputation as the greatest orator of his time. Cicero defended his practice partly on moral or compassionate grounds of 'human decency'--sentiments with which we today would agree. His clients generally went free. And in vindicating men--who sometimes did not deserve it--he left us a mass of detail about Roman life, law and history and, in two of the speeches, graphic pictures of the 'gun-law' of small provincial towns.

The Roman is a superb reconstruction of a time long ago, the Roman world in the time of the Emperors Claudius & Nero. It's the story of Minutus, of noble birth, who serves the government and travels widely through the Empire, from his home in Antioch to the seat of world power, Rome. A historically consistent portrayal of the highest levels of society in ancient Rome. One of Waltari's great historical novels.

In 88 B.C., it seems as if the entire ancient world is at war. In the west, the Italian states are rebelling against Rome; in the east, Mithridates is marching through and conquering the Roman Asian provinces. Even in the relatively calm Alexandria, a coup has brought a new Pharaoh to power and chaos to the streets. The young Gordianus has been waiting out the chaos in Alexandria, with Bethesda, when he gets a cryptic message from his former tutor and friend, Antipater. Now in Ephesus, as part of Mithridates' entourage, Antipater seems to think that his life is in imminent danger. To rescue him, Gordianus concocts a daring, even foolhardy, scheme to go "behind enemy lines" and bring

Antipater to safety. But there are powerful, and deadly forces, at work here, which have their own plans for Gordianus. Not entirely sure whether he's a player or a pawn, Gordianus must unravel the mystery behind the message if he's to save himself and the people he holds most dear.

Possibly mad and claiming no memory of her own past, Cassandra - like her namesake - is reputed to have had the true gift of prophecy and, as a result, she became a confidante of the rich and powerful. Gordianus the Finder, who had become obsessed with the woman and her mystery, starts to investigate her murder. As the political situation in Rome continues to decay, the citizenry veers towards ruin, and everyone waits for word out in the far off fields of war, Gordianus begins to peel away the veils of secrecy that surround Cassandra's life and death. What lies underneath involves one, possibly many, of the most powerful women in Rome and the truth could not only put Gordianus's life in danger but affect the very future of Rome itself.

Appointed by the Senate as Dictator, the city abounds with rumors asserting that Caesar wishes to be made King — the first such that Rome has had in centuries. Gordianus, recently returned from Egypt with his wife Bethesda, is essentially retired from his previous profession of 'Finder' but even he cannot refuse the call of Calpurnia, Caesar's wife. Troubled by dreams foretelling disaster and fearing a conspiracy against the life of Caesar, she had hired someone to investigate the rumors. But that person, a close friend of Gordianus, has just turned up dead — murdered -- on her doorstep. With four successive Triumphs for Caesar's military victories scheduled for the coming days, and Caesar more exposed to danger than ever before, Calpurnia wants Gordianus to uncover the truth behind the rumored conspiracies -- to protect Caesar's life, before it is too late. The First Man in Rome Rare Treasure Editions

The New York Times bestselling and legendary author of Helen of Troy and Elizabeth I now turns her gaze on Emperor Nero, one of the most notorious and misunderstood figures in history. Built on the backs of those who fell before it, Julius Caesar's imperial dynasty is only as strong as the next person who seeks to control it. In the Roman Empire no one is safe from the sting of betrayal: man, woman—or child. As a boy, Nero's royal heritage becomes a threat to his very life, first when the mad emperor Caligula tries to drown him, then when his great aunt attempts to secure her own son's inheritance. Faced with shocking acts of treachery, young Nero is dealt a harsh lesson: it is better to be cruel than dead. While Nero idealizes the artistic and athletic principles of Greece, his very survival rests on his ability to navigate the sea of vipers that is Rome. The most lethal of all is his own mother, a cold-blooded woman whose singular goal is to control the empire. With cunning and poison, the obstacles fall one by one. But as Agrippina's machinations earn her son a title he is both tempted and terrified to assume, Nero's determination to escape her thrall will shape him into the man he was fated to become—an Emperor who became legendary. With impeccable research and captivating prose, *The Confessions of Young Nero* is the story of a boy's ruthless ascension to the throne. Detailing his journey from innocent youth to infamous ruler, it is an epic tale of the lengths to which man will go in the ultimate quest for power and survival.
